Surprised By Serenity:

Serenity's Promise Peter Speciale, 2022-09-13 Death we must endure but what happens afterward Mary O Neil says she knows what transpires afterlife and can prove it Serenity's senior year had gone from collections of memories to recollections of regret The end could not come fast enough for her Trevor felt life had given him a raw deal He intended on cramming as many years worth of life as he could in the very possible short time he had left In 1968 Serenity Marolis a young woman just out of high school struggled to survive after plunging into the ferocious waters of Niagara Falls While she was fighting for her life she found herself in the realm between life and death and was sent on a journey through history by an angelic being As Serenity made her way toward her eternal destination she hoped to find her friend waiting on the other side Sixteen year old Trevor Wyatt did not believe in eternity or that if there was a God He would allow a person to suffer with the heart condition Trevor had had to live with In 2018 Trevor met Mary O Neil who told of Serenity's plight He considered the story a fictional tale designed to convert him to Christ and was not persuaded The stories were suddenly entwined but would it change his mind *Serenity's Song* Cathryn Hein, 2020-08-31 He's got a history of bad decisions is he finally about to make the right one Jesse Hargreaves can't outrun his notorious bad boy reputation Betrayed by a woman he trusted he retreats to his hometown Wirralong to serve as his brother's best man and rebuild his life But change isn't easy and it's even harder when Jesse has to fight his fierce attraction to the maid of honour a woman well aware of the darkness in his past Beautician Serenity Strachan's flippant one liners and vibrant hair colours are armour to protect her fragile heart She's always crushed on Jesse but she's determined to keep him and his sordid past at an arm's length That's easier said than done when Jesse asks Serenity to help renovate an old property And when they're trapped underground in a tunnel cave in their emotional barriers fall faster than the tunnel walls When rescue arrives they question their new emotional intimacy Can Serenity trust this new Jesse with her heart And can Jesse trust that Serenity will ignore the lure of a fortune to keep his secrets safe
