Survey Research in Underdeveloped Countries Chris J. Dixon, Bridget Leach, 1984

Survey Research in the Social Sciences Charles Y. Glock, John Bennett, 1967-12-31 Survey research was for a long time thought of primarily as a sociological tool It is relatively recently that this research method has been adopted by other social sciences and related professional disciplines The amount and quality of its use however vary considerably from field to field This volume describes the elementary logic of survey design and analysis and provides for each discipline an evaluation of how survey research has been used and conceivably may be used to deal with the central problems of each field
