Survive The Shadow Stalker:

Survive the Shadow Stalker Bonnie Pike, 2002-10-01 *Survive The Shadow Stalker* is a poetic journey through the lives of abuse victims survivors and the significant others who share their lives and loss Although some of the work is autobiographical the majority is derived from 16 years of interviews and research *The Shadow Stalker* Mark Davie, 2023-06-06 In the chilling depths of darkness a malevolent presence lurks weaving a web of terror and despair *The Shadow Stalker* A Creature from the Dark takes readers on a heart pounding journey through a realm where nightmares come to life and the boundaries between reality and the supernatural blur Emily our courageous protagonist finds herself thrust into a world of haunting encounters and sinister reflections As she unravels the mysteries surrounding the enigmatic Shadow Stalker a creature born from the depths of the abyss she becomes entangled in a battle between light and darkness From whispering shadows to unearthly footsteps Emily's quest leads her through forgotten graveyards and into the heart of an ancient curse As she delves deeper nightmares are unleashed threatening her sanity and testing her resolve The desolate woods hold secrets that challenge her every step and the malevolent gaze of the vengeful specter follows her every move Driven by a cryptic diary and guided by echoes of the past Emily navigates treacherous labyrinths and faces the relentless webs of despair that seek to ensnare her The curse awakens and she finds herself trapped in a cavern surrounded by the suffocating embrace of darkness Through the demon's pact and the shadows of the past she must confront her deepest fears and untangle the haunting secrets that lie beneath the surface As Emily's journey unfolds she finds herself shrouded in fear haunted by wailing echoes that reverberate through her very soul Lost in the labyrinth of her own emotions she battles against malevolent gazes and whispers in the wind never ceasing in her quest for truth and redemption In the midnight ritual that culminates in a cataclysmic confrontation Emily faces the ultimate challenge confronting the Shadow Stalker itself With victory hanging in the balance she harnesses the power of light transforming her very being into a force that defies the darkness *The Shadow Stalker* A Creature from the Dark is a spine tingling tale that immerses readers in a world where the line between horror and reality blurs Will Emily prevail against the encroaching malevolence or become entangled in the inescapable clutches of the shadows Only through the pages of this gripping novel will the answers be revealed Enter a realm of dread and suspense where the unknown lurks in every corner and nightmares become all too real Prepare to be captivated by *The Shadow Stalker* A Creature from the Dark a chilling horror novel that will leave you breathless and questioning the shadows that linger just out of sight *Demon Hunt* (A Shadow Stalker Prequel Novella) Renee Scattergood, 2015-02-01 *Demon Hunt* a Shadow Stalker prequel Novella by Renee Scattergood is a must read for Shadow Stalker fans as well as all readers of fantasy Scattergood writes an entertaining novella with strong characters dealing with unique problems Full of adventure *Demon Hunt* hooks the reader from the start holding them until the end Debra Mauldin Blogger and Author Renee Scattergood has outdone herself once again by bringing a new direction into the Shadow Stalker series with her prequel

novella Demon Hunt Scattergood shows a deep connection to this world of her creation allowing her readers to stand side by side with Kado and Auren as they face a Demon from the shadow world KJ Hawkins Author of the Tales of Ferres Series Auren longs for adventure and a break from her tedious life on Appolia It s the start of summer and she is looking forward to her yearly camping trip with her foster father Kado She believes these trips are for fun but when they arrive on Luten Isle Kado informs her that she is a shadow stalker and she is in training One morning Auren decides to take her training into her own hands She only means to practice seeing the veil to the shadow world the world of the shadow people and the source of their power Instead she opens the veil releasing a demon a guardian of the shadow world into the physical world With the deadly beast loose she and Kado don t have long to hunt it down and return it to where it belongs or many innocent people could die *Shadow Stalker Part 1 (Episodes 1 - 6)* Renee Scattergood,2015-04-18 Auren learns she is destined to enslave the people of her world and Drevin emperor of the Galvadi Empire is determined to end her life before it happens Her foster father Kado has sworn to protect her and trains her as a shadow stalker But her training is cut short when their people are overrun by the Galvadi Empire Now she has to find a way to help her people without succumbing to the prophecy The Hidden Truth Episode 1 A young shadow stalker is destined to enslave the people of the Serpent Isles and the Galvadi Empire want this child of prophecy dead Auren Trask s perfectly normal life is disrupted when the Galvadi invades and she learns a startling secret about her past A secret that will change her life forever The Delohi Saqu s Fate Episode 2 Auren is being targeted by the Council of Elders and the only one who could put an end to their corruption is her father But leaving the Dark Isle would turn Kado against her Shadows Betrayal Episode 3 After seeing the monster she will become Auren swears not to leave the Dark Isle Despite that the elders are conspiring against her To escape their scheming she and Kado decide to explore the Dark Isle But worse things await them in the forests Forbidden Love Episode 4 Kado and Auren survive a deadly storm but when Auren is forbidden from pursuing love with another young shadow stalker will it be enough to drive a wedge between her and her foster father Destiny Reconciled Part 1 Episode 5 Auren and Kado accept that they may not be able to avoid her leaving the Dark Isle Now they have to prepare for that eventuality Will the training be more than Auren can handle Destiny Reconciled Part 2 Episode 6 Cathnor has been arrested and is facing a death sentence The Dark Isle is out of control and Kado is the only one who can help his people So he prepares Auren for the possibility that she may have to leave the Dark Isle without him and face her destiny alone but can she leave him and do what must be done **Dancing with the Spirits of Shadowplay** Bonnie Breuilly-Pike,2012-11-05 No matter what the faith or season of the year all human beings seek everyday epiphanies occasions when we can experience the sacred and the beautiful in the absolute ordinary In doing so we come to an awakening that we cannot afford to throw away even one more unimportant day by not noticing the wonder of it all Sometimes we just forget to take the time to honestly see our world most times actually Some of the simplest things that make us feel alive and more importantly loved are right at our fingertips or just outside our backdoor and we constantly

seem to either ignore or miss them A good morning kiss The first real day of spring every year An unexpected call from your significant other to just say I love you The appreciative wag of your dogs tail when you give him his favorite treat The scent of a newly opened rose bud The hug your grandchild gives you when he runs across the yard when he first sees you However Bonnie Pike seems to notice all of these things and more She has the wonderful talent to put into words those feelings and emotions of life with all of its loves as well as its pains This is Bonnie s third volume of poetry Her prior volumes *Survive The Shadowstalker* A Poetic Journey Through Abuse was released in 2002 and *Shadows Of Love* was released in 2011 In this compilation of poetry Bonnie takes you through the natural order of life which she has gleaned through her love of her adopted home state of AZ Do you want to come and play and dance and dream Then meet Bonnie at the Superstition Mountain just off the Apache Trail and she will show you the way Come and dance with the spirits of shadowplay [Shadow Stalker: Awakened \(Episode 20\)](#) Renee Scattergood,2017-06-19 Auren returns to find the Galvadi are using extremely inhumane tactics to demoralize the Coalition She needs to help the Coalition before everything is lost If Auren can use her newfound abilities to find the Galvadi s greatest weakness they might stand a chance in bringing the Galvadi down once and for all **Shadows of Love** Bonnie Pike,2011-02 Where does someone find inspiration If you ask a roomful of writers where they get theirs you will probably get a room full of answers all of them totally different from the next For some it can come in the form of a loved one the one you picked up and held in your arms when they were born or the one you held as they breathed their last breath For some it can be found in a walk on a brisk N Y autumn day sharing the sun with crimson colored leaves For some it can even be found in the smell of hot coffee brewing on a morning after Or that illness that everyone feels at some time in their life but which the world s best doctors and surgeons can t put their hands on it to heal heartache Within the confines of the cover of this book you will find a writer who has found her inspiration in all of these things and managed to take all of these special moments place them in poetic form and allow the reader to feel in their own right all of the things that consist of what we humans call life **Shadow Stalker Part 3 (Episodes 13 - 18)** Renee Scattergood,2016-12-14 Auren turns herself over to the Galvadi to get close to Drevin and Makari has no choice but to play along He is forced to either torture Auren to prove his loyalty or die knowing she will be tortured and enslaved anyway Somehow they have to get close enough to Drevin to bring him down and put an end to the Galvadi s tyranny once and for all Episode 13 Defiance Three years have passed since Auren and Shai escaped the daily torture of the Galvadi With Makari s help they have learned more about the Galvadi s technology and discovered ways to overcome its effects on their power which gave them an edge in the war However the Galvadi have spent that time developing new technology that could mean the end of the shadow stalkers Episode 14 Falling to Pieces Things go from bad to worse after Cali is captured by the Galvadi The new technology they have employed is making a rescue attempt impossible and endangering the lives of all the shadow stalkers Auren refuses to give up though but the more she tries to fix things the more Kado tightens the leash Episode 15 Into My Own Just when Auren

thinks she'd had enough of Kado's overbearing and overprotective nature he surprises her by apologizing and admitting he had been wrong Auren finally accepts that she is not at fault for Cali's death after visiting her in the shadow world but Kado and Makari are still preventing her from confronting Drevin They don't feel she is ready and Auren is beginning to believe they will never let her fulfill her destiny It's time she takes matters into her own hands Episode 16 A New Emperor Makari is told the only way he can prove his loyalty is by torturing Auren but he refuses to go through it So Jharak Drevin's master interrogator took the liberty to be the one to break her but in the end it would take forcing her to watch him torture and kill Makari Episode 17 Allies to Enemies Part 1 Traitors are weeded out and new allies are found Auren and Makari are determined to bring peace once again to the Serpent Isles but they have a deadline If they don't make it in time they could end up at war with their own people Episode 18 Allies to Enemies Part 2 General Graves wants Auren and Makari dead When Makari demands one of Graves' men who secretly supports Makari is sent to him for extra security at the palace Graves uses a mind control drug to get him to assassinate them Will Auren and Makari learn what happened before it's too late
