We Survived the Night Julian Brave NoiseCat, 2025-10-14 A stunning narrative from one of the most powerful young writers at work today and the director of the Oscar nominated documentary *Sugarcane* *We Survived the Night* interweaves oral history with hard hitting journalism and a deeply personal father son journey into a searing portrait of Indigenous survival love and resurgence Julian Brave NoiseCat s childhood was rich with culture and contradictions When his Secw pemc and St at imc father an artist haunted by a turbulent past abandoned the family NoiseCat and his non Native mother were embraced by the urban Native community in Oakland California as well as by family on the Canim Lake Indian Reserve in British Columbia In his father s absence NoiseCat immersed himself in Native history and culture to understand the man he seldom saw his past his story where he came from and by extension himself Years later NoiseCat sets out across the continent to correct the erasure invisibility and misconceptions surrounding the First Peoples of this land as he develops his voice as a storyteller and artist Told in the style of a Coyote Story a legend about the trickster forefather of NoiseCat s people who was revered for his wit and mocked for his tendency to self destruct *We Survived the Night* brings a traditional art form

nearly annihilated by colonization back to life on the page Through a dazzling blend of history and mythology memoir and reportage NoiseCat unravels old stories and braids together new ones He grapples with the erasure of North America s First Peoples and the trauma that cascades across generations while illuminating the vital Indigenous cultural environmental and political movements reshaping the future He chronicles the historic ascent of the first Native American cabinet secretary in the United States and the first Indigenous sovereign of Canada probes the colonial origins and limits of racial ideology and Indian identity through the story of the Lumbee Tribe of North Carolina and hauls the golden eggs of an imperiled fish out of the sea alongside the Tlingit of Sitka Alaska This is a rewriting and a restoration of Native history and more intimately of family and self as NoiseCat seeks to reclaim a culture effaced by colonization and reconcile with a father who left Virtuosic compelling and deeply moving this is at once an intensely personal journey and a searing portrait of Indigenous survival love and resurgence Drawing from five years of on the ground reporting We Survived the Night paints a profound and unforgettable portrait of contemporary Indigenous life alongside an intimate and deeply powerful reckoning between a father and a son A soulful formally daring and indelible work from an important new voice
