Surviving Proposition Thirteen Fiscal Crisis In California Counties:

Surviving Proposition Thirteen Valerie Raymond,1988 *Surviving Proposition Thirteen* Valerie Raymond,

Surviving Proposition Thirteen Valerie Raymond,1988 **Small Property Versus Big Government** Clarence Y. H.

Lo,1995-01-01 Tax reformers take note Clarence Lo s investigation of California s Proposition 13 and other tax reduction bills is both a tribute and a warning to people who get mad as hell and try to do something about being pushed around by government Homeowners in California faced with impossible property tax bills in the 1970s got mad and pushed back starting an avalanche that swept tax limitation measures into state after state What we learn is that although the property tax was slashed two thirds of the benefits went to business owners rather than homeowners How did a crusade launched by homeowners seeking tax relief end up as a pro business supply side political program To trace the transformation Lo uses the firsthand recollections of 120 activists in the movement going back to the 1950s He shows how their protests were ignored until a suburban alliance of upper middle class property owners and business owners took charge It was the program of that latter group not the plight of the moderate income homeowner which inspired tax revolts across the nation and shaped the economic policies of the Reagan administration Tax reformers take note Clarence Lo s investigation of California s Proposition 13 and other tax reduction bills is both a tribute and a warning to people who get mad as hell and try to do something about being pushed around by government Homeowners in California faced with impossible property tax bills in the 1970s got mad and pushed back starting an avalanche that swept tax limitation measures into state after state What we learn is that although the property tax was slashed two thirds of the benefits went to business owners rather than homeowners How did a crusade launched by homeowners seeking tax relief end up as a pro business supply side political program To trace the transformation Lo uses the firsthand recollections of 120 activists in the movement going back to the 1950s He shows how their protests were ignored until a suburban alliance of upper middle class property owners and business owners took charge It was the program of that latter group not the plight of the moderate income homeowner which inspired tax revolts across the nation and shaped the economic policies of the Reagan administration California. Court of Appeal (3rd Appellate District). Records and Briefs California (State)., *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., *The California Handbook* Ted Trzyna,Julie Didion,1998-10 The Political Culture of Planning J Barry Cullingworth,J. Barry Cullingworth,2002-09-26 The Political Culture of Planning is written for two quite distinct readerships The main body of the book synthesizes a mass of information to provide an overview of a complex and amorphous field This material is designed to meet the needs of students who require a succinct account of the American system of land use planning These readers can ignore the notes For those who are embarking upon a much wider and deeper study of land use planning in the US the notes are crucial they provide the guideposts to an immensely rich literature The first four parts of the text present the main issues of land use planning in the US Part 1

assesses the US zoning system The introductory chapter discusses the meaning of zoning and its difference from planning the primacy of local governments the constitutional framework and the role of the courts Chapter two provides the historical background to zoning and an outline of the classic Euclid case Chapter three discusses the objectives and nature of zoning and the use which local governments have made of its inherently inflexible character Chapter four acts as a corrective to this view describing how lawyers and planners have shown remarkable ingenuity in adapting zoning to the demands of a changing society Part 2 deals with the perennial issues of discrimination financing infrastructure for new development and the process for negotiating zoning matters Part 3 presents a discussion of two overlapping issues of increasing significance aesthetics and historic preservation Part 4 focusses on the main issue facing land use planners attempting to channel the forces of development into spatial forms held to be socially desirable Part 5 consists of a series of broad ranging essays which discuss land use planning in the US its institutional and cultural framework and the reasons for its particular character Part 6 discusses the limited possibilities for land use reform in the US drawing on the author s considerable experience in both Britain and Canada in order to interpret the limitations and potentialities of land use planning in the US

A Government by the People Thomas Goebel, 2003-04-03 Between 1898 and 1918 many American states introduced the initiative referendum and recall known collectively as direct democracy Most interpreters have seen the motives for these reform measures as purely political but Thomas Goebel demonstrates that the call for direct democracy was deeply rooted in antimonopoly sentiment Frustrated with the governmental corruption and favoritism that facilitated the rise of monopolies advocates of direct democracy aimed to check the influence of legislative bodies and directly empower the people to pass laws and abolish trusts But direct democracy failed to achieve its promises corporations and trusts continued to flourish voter turnout rates did not increase and interest groups grew stronger By the 1930s it was clear that direct democracy favored large organizations with the financial and organizational resources to fund increasingly expensive campaigns Recent years have witnessed a resurgence of direct democracy particularly in California where ballot questions and propositions have addressed such volatile issues as gay rights and affirmative action In this context Goebel s analysis of direct democracy s history evolution and ultimate unsuitability as a grassroots tool is particularly timely

California. Supreme Court. Records and Briefs California (State)., Court of Appeal Case s B037360
