Surviving Aunt Ruth:

Recovering Ruth Robert L. Root,2003-01-01 The task of editing and annotating a nineteenth century diary seemed straightforward at first but as Robert Root assembled scattered fragments of lost history and immersed himself in background research he became enmeshed in unexpected ways When doubts arose about who really wrote the journal Root found himself plunged into a mystery of lost identity drawn ever deeper into the drama and complexity of forgotten lives and engaged in a quest at times both compulsive and quixotic Part memoir part meditation on the nature of biography Recovering Ruth is the absorbing story of recovering a hidden past and of learning firsthand the complications of intimacy that develop between a biographer and his subject

Joel Schnoor,2009-09-01 Uses humor to illustrate common mistakes that people make with English grammar and usage

Surviving Aunt Ruth Joyce Pounds Hardy,2002-08 The latest and easily the most unique book on the controversial topic of Pope Pius XII s decisions and indecisions during World War II Don t be deceived by the humorous format of the father son dialogue the author states his view squarely The result is the most level headed unbiased and most easy to read look at the venerable pontiff

Survival: The Saga of My Ancestors Lynne Gross,2017-06-11 Summary Survival The Saga of My Ancestors describes five generations that emanated from Germany and Italy It is based on research through ancestry com and other internet sources as well as interviews with relatives and discoveries in long forgotten closets and scrapbooks It includes tales of immigration settling and dealing with successes and failures The people depicted are hard working most of them in the steel related industries of Pittsburgh Pennsylvania In addition to chapters on each of the four branches of the author s heritage there are chapters that deal with the research process

The Pages Paula Lane,2007-08-07 Audrie Hollingsworth Goodwin awakens one morning to find that she has inherited the family s most coveted and mysterious heirloom She will soon find that The Pages carry with them both a blessing and a curse the power to give life and the power to take it away But will she decide to give her life away to be with her beloved husband Jonathan who died one year earlier Or will The Pages change her life in such a way that no one not even Audrie could have imagined The Pages promise to take you to a place where reality is twisted by an unseen power where lives hang in the balance and sacrifice may be the only way of escape Paula Lane Christian Fiction Christian Theme

Diosas / Goddesses Eddie Ferraioli,2024-09-13 In 2005 a mosaic artist embarked on a project to exalt the beauty and strength of women through twenty vibrant mosaics inspired by the lush landscapes of Puerto Rico But during the three years of intensive work a chilling realization emerged the rising tide of violence against women By September 2007 as the mosaics neared completion the number of women tragically killed by their partners in Puerto Rico almost equaled the number of artworks The artist s exhibition Virgins became a haunting tribute to the twenty women whose lives were lost that year their names etched into the pages of this book This powerful collection serves as a powerful homage to all victims of gender violence past present and future and a desperate plea to end this devastating epidemic Each mosaic is a testament to the

lives stolen their beauty and spirit forever immortalized in vibrant tile A Time of Silence Ingrid Epstein Elephant,2011-03-14 Ingrid Epstein Elephant survived the Holocaust in Germany through the kindness and generosity of non Jews many of whom put their own lives at risk by helping her and her mother From a young child shielded by her parents and others from the horror going on around her and not understanding the painful things happening to her family Ingrid becomes a young woman struggling to adjust to a new country and then a mature woman desperately trying to establish her own identity The entire story is a testament to human kindness and the ability of one person to gain acceptance and to create a place for herself in a welcoming community Ingrid s writing speaks directly to the reader s emotions and the last part of her memoir focuses on the deep spiritual quality which suffuses and animates her life Marim Charry Rabbi Told with the kind of confidence and grace that comes only from years of searing self scrutiny A Time of Silence is Ingrid Epstein Elephant s moving account of her life long search to find and live an authentic identity Born in Nazi Germany to a Catholic father and Jewish mother Ingrid spent her early childhood at the edges of war fearful of the nightly bombing raids and zealously protective of her dearest friend her doll Erika Raised as a Catholic and hidden for a time by her Catholic grandparents after her father had been drafted and her mother was forced into hiding Ingrid found herself after the war enveloped by her mother s Jewish family in America miming the motions of newly learned Jewish ritual She felt herself a fraud a German Catholic displaced from her home playacting the expected roles given to her by a new and foreign family Here is the heart of Ingrid s story a story that stretches out over decades of learning to determine for herself who she is and of finding a way to understand the decisions her parents had made for her in the past It is a story of love and fear of loss and acceptance and above all of the healing power of narrative to help a special kind of Holocaust survivor find both self knowledge and peace Eve Keller Professor Department of English Fordham University Children Who Survived the Final Solution Peter Tarjan,2004 Holocaust survivors who were children during the Nazi persecution wrote this collection of memoirs Each story bubbled up spontaneously without an interviewer s guidance hence these represent the most permanent memories of their authors childhood experiences This book provides a rare vantage point to look into the diverse lives of children during the Holocaust Both professionals and adult survivors have often said The children were too young to remember They could not have been more wrong about that I was struck by the fact that the stories were not bitter they did not seek revenge I found the underlying thread in the purpose of the stories to be gifts to the world given in the hope that the stories and the anthology would contribute to other children not having to suffer such events in the future Paul Valent M D Melbourne Australia author Child Survivors of the Holocaust 1994 2002 **Blood Will Tell** Carlton Smith,2025-10-16 They Were The Perfect Family For twenty years Ken and Kristine Fitzhugh and their two sons had lived lives of comfortable middle class normality in the university town of Palo Alto California Then came the shocking news that Kristine Fitzhugh was dead the victim of a terrible accident By the time the Palo Alto Police Department looked closer at the death of Kristine Fitzhugh there could be only one

conclusion Someone had murdered Kristine in her own home inflicting a series of horrific blows to the back of her head and then cleaned up the mess to make it look like an accident Who would do such a thing Protesting his innocence Kenneth Fitzhugh was arrested and tried for the murder of his wife And as the case progressed one by one the hidden secrets of the Fitzhugh family came spilling out Blood Will Tell is the shocking true story of a seemingly happy family and the deadly secrets that led to murder Creation Out of Nothingness David Wolgroch,2013-02 The discovery of a hidden diary containing mysterious sketches leads to a personal and intriguing journey through the Saar Valley London New York and Israel As a clinical psychologist and child of Holocaust Survivors Dr Wolgroch provides essential reading for the Second Generation and readers interested in learning about the pervasive effects of the Holocaust on four generations of one family The narrative is personal inspiring informative and a good read You won t be able to put it down
