Surviving The Judas Factor:

Betty Shabazz, Surviving Malcolm X Russell J. Rickford, 2003 The gunmen rose from the crowd and set their sights on Malcolm X The thunder of shotgun blasts ripped through the ballroom and Betty Shabazz turned to see her husband float backward keel over and crash to the ballroom stage She grabbed her children hurling them beneath a booth and shielding them with her body while the room erupted into screams and chaos As she lay there squeezing her family the Betty Shabazz who was the dutiful and obedient wife of the Civil Rights Movement s most feared leader ceased to be and the woman who emerged would become one of the greatest heroines of our day Betty Shabazz Surviving Malcolm X is the first major biography of Dr Betty Shabazz the unsung and controversial champion of the Civil Rights era From her early marriage to black liberation s raging voice through her evolution into a powerful and outspoken African American leader Betty Shabazz was in constant struggle to bring freedom and justice to her people Yet at times her greatest fight was to struggle through tragedy and hold on to her faith amidst the stereotypes forced on her by a culture of racism and the very people she was trying to liberate To read Betty Shabazz Surviving Malcolm X is to experience this remarkable life With eloquent and intimate prose Russell J Rickford puts you on the scene as a young Betty Sanders is taken in by foster parents after a troubled childhood You are there as Malcolm X comes home from a hard day of railing against oppression to hug his children dote on his wife and laugh You dive under the table at the Audubon Ballroom as bullets strike Malcolm down You struggle with Betty Shabazz as she fights to raise six girls alone while earning a doctorate You stand triumphant with her as she claims her own individuality and fights to build respect for Malcolm And you stand watch with her daughters as Betty passes away a victim of yet another tragedy but this time after a life lived full Russell J Rickford has conducted extensive research to compile this biography interviewing more than seventy of Betty Shabazz s family members friends colleagues and contemporaries as well as researching countless records and documents including recently declassified FBI CIA and New York Police files This is the first complete look at the life of Betty Shabazz and a new insight into the man who was known as Malcolm X Betty Shabazz is the story of a strong woman who faced incredible tragedy and emerged triumphant compassionate and always full of life In the end it is the story of a nation torn apart by hatred learning to heal and forgive The Eloquence of Art Andrea Olsen Lam, Rossitza Schroeder, 2020-04-14 For those within the fields of art history and Byzantine studies Professor Henry Maguire needs no introduction His publications transformed the way art historians approach medieval art through his insightful integration of rhetoric poetry and non canonical objects into the study of Byzantine art His ground breaking studies of Byzantine art that consider the natural world magic and imperial imagery among other themes have redefined the ways medieval art is interpreted From notable monuments to small scale and privately used objects Maguire s work has guided a generation of scholars to new conclusions about the place of art and its function in Byzantium In this volume 23 of Henry Maguire s colleagues and friends have contributed papers in his honour resulting in studies that reflect the broad range of

his scholarly interests *Surviving the Judas Factor* Ursula Bellah, 2004 Misinformation is an impedance to metanoia turning from bad to good which is the central message of christianity It misleads it disorients it confuses it generates misunderstanding and disaffection and occasions emotional and spiritual disquiet This book decries its pernicious effect on the future of mutual understanding love peace and harmony in the nuclear family setting and in the wider family that includes all human beings of all colours races and cultures The book seeks to awaken consciousness to the reality of the pervasive presence of misinformation in our midst recommends efforts at eradicating it and by showing the light aims at replacing it with information that is wholesome palatable and correct This book is not about people per se as individuals or as groups It is about their intellectual inconsistencies and the harmful demagoguery that proceeds therefrom Where names appear of persons groups of people institutions or of events and places they are merely incidental It was not possible to avoid them and still address the wrong they were intended to instance A book for everyone it has no precise target readership because when information contained in a book is from revelation who is it not for It is instruction for the uninformed elucidation and edification for the doubtful and a mental stimulant for the tired intellectual who perhaps fell asleep It will get you thinking even talking even responding and that s not a bad thing Many themes seem fused together in this book and that is because I am not writing on any of them I am using them to illustrate and buttress the case I am making for the need for correct information **The Journey of Christianity to India in Late Antiquity** Nathanael J. Andrade, 2018-04-19 How did Christianity make its remarkable voyage from the Roman Mediterranean to the Indian subcontinent By examining the social networks that connected the ancient and late antique Mediterranean to the Indian Ocean central Asia and Iran this book contemplates the social relations that made such movement possible It also analyzes how the narrative tradition regarding the apostle Judas Thomas which originated in Upper Mesopotamia and accredited him with evangelizing India traveled among the social networks of an interconnected late antique world In this way the book probes how the Thomas narrative shaped Mediterranean Christian beliefs regarding co religionists in central Asia and India impacted local Christian cultures took shape in a variety of languages and experienced transformation as it traveled from the Mediterranean to India and back again *Suicide in the Middle Ages: Volume 2: The Curse on Self-Murder* Alexander Murray, 1998 A group of men dig a tunnel under the threshold of a house Then they go and fetch a heavy sagging object from inside the house pull it out through the tunnel and put it on a cow hide to be dragged off and thrown into the offal pit Why should the corpse of a suicide DS for that is what it is DS have earned this unusual treatment In *The Curse on Self Murder* the second volume of his three part *Suicide in the Middle Ages* Alexander Murray explores the origin of the condemnation of suicide in a quest which leads along the most unexpected byways of medieval theology law mythology and folklore DS and indeed in some instances beyond them At an epoch when there might be plenty of ostensible reasons for not wanting to live the ways used to block the suicidal escape route give a unique perspective on medieval religion *Epic of Survival* Samuel Glassman, 1980 *The Institution of*

the Hasmonean High Priesthood Vasile Babota,2013-11-25 In The Institution of the Hasmonean High Priesthood Vasile Babota offers an interdisciplinary study of the establishment of the Hasmonean priests as high priests in Jerusalem from their revolt in 167 down to 140 The Hasmonean high priests exercised both religious and civil powers until 37 B C E and some acted also as kings Previous studies looked at them mainly from a biblical Jewish perspective Vasile Babota persuasively argues that the first high priests Jonathan and Simon acted as Hellenistic high priestly rulers This conclusion is based on an analysis of the activity of the high priests Jonathan and Simon on internal and external levels a comparison with earlier Jewish high priests and a comparison with Hellenistic Seleucid and Ptolemaic high priests **Malcolm Lives!** Ibram X. happened In this groundbreaking book Einhorn argues that when the bible and the accounts of first century historians are compared side by side it is clear that the events that shaped the Christian world were not exactly as they seem Elements of this emerging hypothesis were included in Einhorn s previous book The Jesus Mystery originally published in Swedish in 2006 and later published in the United States Much has happened since then and Einhorn has presented her findings in various academic forums The publication of A Shift in Time marks the first complete presentation of the full details of the hypothesis and a discussion of its conclusions and inevitable implications Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
