Interdenominational Faith Missions in Africa Fiedler, Klaus, 2018-03-13 It was not the European and American churches which evangelised Africa but the mission societies The missions from the Great Awakening such as the London Missionary Society and Church Missionary Society or the Holy Ghost Fathers and the White Fathers which started the process of Sub Saharan Africa becoming a Christian continent are well known and documented Less known and less documented are the interdenominational faith missions which began in 1873 with the aim of visiting the still unreached areas of Africa North Africa the Sudan Belt and the Congo Basin Missions such as the Africa Inland Mission or Sudan Interior Mission gave birth to some of the big churches like ECWA in Nigeria and Africa Inland Church in Kenya It is the aim of this book to describe faith missions and their theology and to present an overview of the early development of faith missions insofar as they touched Africa Islands Magazine ,1985-03 **Wharton's Law-lexicon** John Jane Smith Wharton, John Mounteney Lely, 1889

The Safeguard of the Sea N A M Rodger, 2004-10-07 Throughout Britain's history one factor above all others has determined the fate of the nation its navy N A M Rodger's definitive account reveals how the political and social progress of Britain has been inextricably intertwined with the strength and weakness of its sea power from the desperate early campaigns against the Vikings to the defeat of the great Spanish Armada Covering policy strategy ships recruitment and weapons this is a superb tapestry of nearly 1 000 years of maritime history No other historian has examined the subject in anything like the detail found here The result is an outstanding example of narrative history Barry Unsworth Sunday Telegraph *Japan Weekly Mail* ,1902
