dream of becoming a recognized painter in Hungary Reinhardt Drixler escapes to America to provide a better future for his young family and to further his artistic pursuits Twenty five years later communism collapses in Europe Reinhardt s son B la falls in love with Suzy Kiss an ambitious and alluring Hungarian striptease dancer whose interest in the young writer can be summarized in two words green card When Suzy is mysteriously deported a devastated B la must make a decision should he stay in New York and continue with the noble artistic ambitions his father instilled in him or should he follow his heart to Hungary and explore the enticing and risqu opportunities blossoming in post communist Budapest
