WILFRED WHITELEY

Swahili The Rise Of A National Language

Wilfred Howell Whiteley

Swahili The Rise Of A National Language:

Swahili Wilfred Whiteley,2023-12-20 Originally published in 1969 this book examines the factors which at different historical periods led people to use one language Swahili rather than another or within a given period to use a particular language in one set of circumstances The national language of Tanzania and much of East Africa Swahili is unique among African languages in its verse literature which dates back to the 18th Century and was written in the Arabic script This book traces the remarkable expansion of Swahili which was linked with the expansion of trade missionary activities and the establishment of Colonial administrations and the development of education **Swahili** Wilfred Whiteley,1969 **Swahili**

Wilfred Howell Whiteley,1969 Swahili Wilfred H. Whiteley,1974 **A History of Swahili Prose** Rollins,2023-07-31

Swahili People and Their Language Dainess Mashiku Maganda,2014-03-22 History is a testament to what happened to a people or a place It shows how things were and their transformation while explaining why the changes happened Not only does history allow human beings to trace their trajectory in dealing with specific issues they face in the affairs of making a living it also highlights movements between people around the world while showing their role in creating systems still in place today History reveals to us major contributors of the trading systems along the east coast of Africa documenting the role of the Swahili people and their interactions with different people of the world The Swahili People and Their Language discusses ways in which the Swahili people came to occupy a prominent position in the world s trading system and how they lost their wealth through their contact with the outside world The book highlights the strategic position occupied by the Swahili people their natural resources their skills and their rich cultural mix and how the contact with the outside world played a major influence that is clearly noticeable to date The book contributes to the on going discussion about Africans and their participation in today s development and reminds readers that the creation of the current economic social and political situation of the Swahili people mirrors the history and positioning of many other formerly independent societies that became colonized nation states The authors provide discussions that shade light on critical questions such as Who are the Swahili people and why are they important Is there such a thing as a Swahili Civilization If so what is it and how does it relate to modern civilization What place does the Swahili language occupy both in its history and usage on the continent and in the rest of the world

Routledge Revivals: Language in Tanzania (1980) Edgar C. Polomé,C. P. Hill,2017-09-29 Originally published in 1980 Language in Tanzania presents a comprehensive overview of the Survey of Language Use and Language Teaching in Eastern Africa Using extensive research carried out by an interdisciplinary group of international and local scholars the survey also covers Ethiopia Kenya Uganda and Zambia The book represents one of the most in depth sociolinguistic studies carried out on this region at this time It provides basic linguistic data necessary to policy makers administrators and educators and will be of interest to those researching the formulation and execution of language policy

The Story of Swahili John M. Mugane,2015-07-15 Swahili was once an obscure dialect of an East African Bantu language

Today more than one hundred million people use it Swahili is to eastern and central Africa what English is to the world From its embrace in the 1960s by the black freedom movement in the United States to its adoption in 2004 as the African Union's official language Swahili has become a truly international language How this came about and why of all African languages it happened only to Swahili is the story that John M Mugane sets out to explore The remarkable adaptability of Swahili has allowed Africans and others to tailor the language to their needs extending its influence far beyond its place of origin Its symbolic as well as its practical power has evolved from its status as a language of contact among diverse cultures even as it embodies the history of communities in eastern and central Africa and throughout the Indian Ocean world The Story of Swahili calls for a reevaluation of the widespread assumption that cultural superiority military conquest and economic dominance determine a language's prosperity This sweeping history gives a vibrant living language its due highlighting its nimbleness from its beginnings to its place today in the fast changing world of global communication

Discrimination through Language in Africa? Martin Pütz, 2014-01-06 No detailed description available for Discrimination through Language in Africa

The World of the Swahili John Middleton, 1992-01-01 The Swahili of East Africa have a long and distinctive history as a literate Muslim urban and mercantile society This book presents an anthropological account of the Swahili and offers an original analysis of their little understood and unusual culture

Pidginization and Creolization of Languages International Conference On Pidgin And Creole Languages. 1968. Mona, Jamaica, 1971

Swahili Syntax Anthony J. Vitale, 2019-11-05 No detailed description available for Swahili Syntax

Concise Encyclopedia of Languages of the World, 2010-04-06 Concise Encyclopedia of Languages of the World is an authoritative single volume reference resource comprehensively describing the major languages and language families of the world It will provide full descriptions of the phonology semantics morphology and syntax of the world's major languages giving insights into their structure history and development sounds meaning structure and language family thereby both highlighting their diversity for comparative study and contextualizing them according to their genetic relationships and regional distribution Based on the highly acclaimed and award winning Encyclopedia of Language and Linguistics this volume will provide an edited collection of almost 400 articles throughout which a representative subset of the world's major languages are unfolded and explained in up to date terminology and authoritative interpretation by the leading scholars in linguistics In highlighting the diversity of the world's languages from the thriving to the endangered and extinct this work will be the first point of call to any language expert interested in this huge area No other single volume will match the extent of language coverage or the authority of the contributors of Concise Encyclopedia of Languages of the World Extraordinary breadth of coverage a comprehensive selection of just under 400 articles covering the world's major languages language families and classification structures issues and dispute Peerless quality based on 20 years of academic development on two editions of the leading reference resource in linguistics Encyclopedia of Language and Linguistics Unique authorship 350 of the world's leading experts

brought together for one purpose Exceptional editorial selection review and validation process Keith Brown and Sarah Ogilvie act as first tier guarantors for article quality and coverage Compact and affordable one volume format makes this suitable for personal study at any institution interested in areal descriptive or comparative language study and at a fraction of the cost of the full encyclopedia **Swahili Grammar and Workbook** Fidèle Mpiranya,2014-10-10 Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar filling in gaps left by other textbooks Presenting the essentials of Swahili grammar in a highly accessible fashion it reduces complex language topics to helpful rules and mnemonic aids enabling maximum grammar retention and accurate usage Grammar points are followed by multiple examples and exercises allowing students to consolidate and practice their learning No prior knowledge of linguistic terminology is required Key features include Twenty five language notes covering key topics such as personal pronouns the Swahili noun class system special class combinations the imperative the subjunctive and the conditional moods the use of comparatives the use of monosyllabic verbs the passive form and various other forms of verb extensions the relative clause Clear detailed and jargon free grammatical explanations supported by an assortment of helpful diagrams charts and tables and many relevant and up to date examples A wide range of communication oriented exercises to reinforce learning and develop students ability to use Swahili actively Audio files to support pronunciation practice clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263> Four appendices Swahili English and English Swahili vocabulary lists a bibliography and an index presented at the back of the book for easy access to information Written by a highly experienced instructor Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes **Beyond Federation** Emma Hunter,Daniel Branch,Ismay Milford,Gerard McCann,2025-08-18 In the period of mid twentieth century decolonization when nationalism and globalism were hotly contested East Africans nurtured regionalism in their intellectual and creative work This book looks beyond political projects of federation to recover ideas and practices of regionalism their remarkable longevity and their significance for understanding possibilities of radical change In doing so it tells a different story about the fate of the category of East Africa building on a body of scholarship about the imagined political communities of decolonizing Africa and rejecting narratives that explain the failure of regional integration as the immediate consequence of postcolonial authoritarianism or global economic crisis **The African Charter on Human and Peoples' Rights [2 Volume Set]** Nat Rubner,2023 A landmark study of the African Charter on human and peoples rights one of the most important documents in modern African history that positions it within the African Lives Matter struggle to assert an African identity rather than as simply a human rights document This set describes its underlying African origins and how the principles of the OAU influenced its path and content **The World's Major Languages** Bernard Comrie,2018-04-17 The World s Major

Languages features over 50 of the world's languages and language families This revised edition includes updated bibliographies for each chapter and up to date census figures The featured languages have been chosen based on the number of speakers their role as official languages and their cultural and historical importance Each language is looked at in depth and the chapters provide information on both grammatical features and on salient features of the language's history and cultural role *The World's Major Languages* is an accessible and essential reference work for linguists **The Conch**, 1972

Islam in German East Africa, 1885-1918 Jörg Haustein, 2023-07-14 In this rich and multi-layered deconstruction of German colonial engagement with Islam Jörg Haustein shows how imperial agents in Germany's largest colony wielded the knowledge category of Islam in a broad set of debates ranging from race language and education to slavery law conflict and war These representations of Mohammedanism often invoked for particular political ends amounted to a serious misreading of Muslims in East Africa with significant long term effects As the first in depth account of the politics of Islam in German East Africa the book makes an essential contribution to the history of religion in Tanzania before British rule It also offers a template for re-reading the colonial archive in a manner that recovers Muslim agency beyond a European paradigm of religion Postcoloniality, Translation, and the Bible in Africa Musa W. Dube, R. S. Wafula, 2017-07-14 This book is critically important for Bible translation theorists postcolonial scholars church leaders and the general public interested in the history politics and nature of Bible translation work in Africa It is also useful to students of gender studies political science biblical studies and history of colonization studies The book catalogs the major work that has been undertaken by African scholars This work critiques and contests colonial Bible translation narratives by privileging the importance African oral vitality in rewriting the meaning of biblical texts in the African sociopolitical political and cultural contexts

Swahili The Rise Of A National Language Introduction

In the digital age, access to information has become easier than ever before. The ability to download Swahili The Rise Of A National Language has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Swahili The Rise Of A National Language has opened up a world of possibilities. Downloading Swahili The Rise Of A National Language provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Swahili The Rise Of A National Language has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Swahili The Rise Of A National Language. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Swahili The Rise Of A National Language. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Swahili The Rise Of A National Language, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Swahili The Rise Of A National Language has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
