Swamp Songs The Making Of An Unruly Woman:

Swamp Songs Sheryl St. Germain, 2003 A poet now an English professor in Iowa reminisces about her youth and family in Louisiana The Booklover's Guide to New Orleans Susan Larson, 2013-09-05 The literary tradition of New Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at numerous festivals across the city For booklovers a visit to the Big Easy isn't complete without whiling away the hours in an antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak lined avenues Creole town houses and famed hotels of New Orleans can the lust of A Streetcar Named Desire the zaniness of A Confederacy of Dunces the chill of Interview with the Vampire and the heartbreak of Walker Percy's Moviegoer begin to resonate Susan Larson's revised and updated edition of The Booklover's Guide to New Orleans not only explores the legacy of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and James Lee Burke This definitive guide provides a key to the books authors festivals stores and famed addresses that make the Crescent City a literary destination **The Ecopoetry Anthology** Ann Fisher-Wirth, Laura-Gray Street, 2013-02-12 Definitive and

daring The Ecopoetry Anthology is the authoritative collection of contemporary American poetry about nature and the environment in all its glory and challenge From praise to lament the work covers the range of human response to an increasingly complex and often disturbing natural world and inquires of our human place in a vastness beyond the human To establish the antecedents of today's writing The Ecopoetry Anthology presents a historical section that includes poetry written from roughly the mid nineteenth to the mid twentieth century Iconic American poets like Walt Whitman and Emily Dickinson are followed by more modern poets like Wallace Stevens William Carlos Williams Ezra Pound and even more recent foundational work by poets like Theodore Roethke Elizabeth Bishop Robert Hayden and Muriel Rukeyser With subtle discernment the editors portray our country's rich heritage and dramatic range of writing about the natural world around us

Louisiana Creole Literature Catharine Savage Brosman, 2013-10-17 Louisiana Creole Literature is a broad ranging critical reading of belles lettres in both French and English connected to and generally produced by the distinctive Louisiana Creole peoples chiefly in the southeastern part of the state The book covers primarily the nineteenth and twentieth centuries the flourishing period during which the term Creole had broad and contested cultural reference in Louisiana The study consists in part of literary history and biography When available and appropriate each discussion arranged chronologically provides pertinent personal information on authors as well as publishing facts Readers will find also summaries and evaluation of key texts some virtually unknown others of difficult access Brosman illuminates the biographies and works of Kate Chopin Lafcadio Hearn George Washington Cable Grace King and Adolphe Duhaime among others In addition she challenges views that appear to be skewed regarding canon formation The book places emphasis on poetry and fiction reaching from early nineteenth century writing through the twentieth century to selected works by poets still writing in the

early twenty first century A few plays are treated also especially by Victor Séjour Louisiana Creole Literature examines at length the writings of important Francophone figures and certain Anglophone novelists likewise receive extended treatment Since much of nineteenth century Louisiana literature was transnational the book considers Creole based works which appeared in Paris as well as those published locally

Cajun Literature and Cajun Collective Memory Mathilde Köstler, 2022-12-19 How does Cajun literature emerging in the 1980s represent the dynamic processes of remembering in Cajun culture Known for its hybrid constitution and deeply ingrained oral traditions Cajun culture provides an ideal testing ground for investigating the collective memory of a group In particular francophone and anglophone Cajun texts by such writers as Jean Arceneaux Tim Gautreaux Jeanne Castille Zachary Richard Ron Thibodeaux Darrell Bourque and Kirby Jambon reveal not only a shift from an oral to a written tradition They also show hybrid perspectives on the Cajun collective memory Based on recurring references to place the texts also reflect on the Acadian past and reveal the innate ability of the Cajuns to adapt through repeated intertextual references The Cajun collective memory is thus defined by a transnational outlook a transversality cutting across various ethnic heritages to establish and legitimize a collective identity both amid the linguistic and cultural diversity in Louisiana and in the face of American mainstream culture Cajun Literature and Cajun Collective Memory represents the first analysis of the mnemonic strategies Cajun writers use to explore and sustain the Cajun identity and collective memory

Three Hundred Years of Decadence Robert Azzarello, 2019-04-09 New Orleans's reputation as a decadent city stems in part from its environmental precariousness its Francophilia its Afro Caribbean connections its Catholicism and its litany of alleged vices encompassing prostitution miscegenation homosexuality and any number of the seven deadly sins An evocative work of cultural criticism Robert Azzarello's Three Hundred Years of Decadence argues that decadence can convey a more nuanced meaning than simple decay or decline conceived in physical social or moral terms Instead within New Orleans literature decadence possesses a complex even paradoxical relationship with concepts like beauty and health progress and technological advance Azzarello presents the concept of decadence along with its perception and the uneasy social relations that result as a suggestive avenue for decoding the long shifting story of New Orleans and its position in the transatlantic world By analyzing literary works that span from the late seventeenth century to contemporary speculations about the city's future Azzarello uncovers how decadence often names a transfiguration of values in which ideas about supposed good and bad cannot maintain their stability and end up morphing into one another These evolving representations of a decadent New Orleans which Azzarello traces with attention to both details of local history and insights from critical theory reveal the extent to which the city functions as a contact zone for peoples and cultures from Europe Africa and the Americas Drawing on a deep and understudied archive of New Orleans literature Azzarello considers texts from multiple genres fiction poetry drama song and travel writing including many written in languages other than English His analysis includes such works of transcription and translation as George Washington

Cable's Creole Slave Songs and Mary Haas's Tunica Texts which he places in dialogue with canonical and recent works about the city as well as with neglected texts like Ludwig von Reizenstein's German language serial The Mysteries of New Orleans and Charles Chesnutt's novel Paul Marchand F M C With its careful analysis and focused scope Three Hundred Years of Decadence uncovers the immense significance historically politically and aesthetically that literary imaginings of a decadent New Orleans hold for understanding the city's position as a multicultural transatlantic contact zone **Creating**
