The Swan Maiden Heather Tomlinson, 2007-08-07 An age old fairy tale told in a refreshingly original voice this stunning richly imagined debut novel depicts fantasy at its most eloquent **In Search of the Swan Maiden** Barbara Fass Leavy, 1995-07-01 In her compendious study of the folktale of the runaway wife Leavy argues that the contradictory claims of nature and culture are embodied in the legendary figure of the swan maiden a woman torn between the human and bestial worlds The New York Times Book Review This is a study of the meaning of gender as framed by the swan maiden tale a story found in the folklore of virtually every culture The swan maiden is a supernatural woman forced to marry keep house and bear children for a mortal man who holds the key to her imprisonment When she manages to regain this key she escapes to the otherworld never to return These tales have most often been interpreted as depicting exogamous marriages describing the girl from another tribe trapped in a world where she will always be the outsider Barbara Fass Leavy believes that in the societies in which the tale and its variants endured woman was the other the outsider trapped in a society that could never be her own Leavy shows how the tale though rarely explicitly recognized is frequently replayed in modern literature Beautifully written this book reveals the myriad ways in which the folktales of a society reflect its cultural values and particularly how folktales are allegories of gender relations It will interest anyone involved in literary gender and cultural studies *The Swan Maiden's Daughter* Shona Louise Webb, 2012-05-14 Lisa was a fairly average typical teenager She got good grades pleased her single parent father and lived by a lake she d called home for her whole life Until she discovered what her mother truly was Lisa is part of a whole magickal society that few humans know exists Lisa is a witch She ll have to become part of this world and learn what it means to have magickal blood and she ll have to learn to develop and control the powers that come with her roots And to do that she ll have to go to the Magick School of England Join Lisa in her journey to

discover all the secrets of this world Join her as she befriends mythical creatures learns spells and magickal history seeks love and companionship and battles deadly creatures And maybe even the truth will be revealed to her about why her mother left

The Swan Maiden Arthur Thomas Hatto,1961 *Feather: Swan Maidens Retold* Demelza Carlton, An unwilling swan maiden A deadly plague Can a mother s love defeat death For Swanhild and Raphael life is perfect Betrothed and about to be married their future should hold only happiness Until the plague arrives Swanhild s mother transforms her into a swan hoping to help her survive the plague Instead Swanhild finds herself in more danger than ever Can she survive the intrigues of the royal court and be reunited with Raphael Fans of the following authors will enjoy reading these steamy medieval fairytale romances Lindsay Buroker Neil Gaiman Skye MacKinnon Kiera Cass Amanda Hocking Sarah J Maas Lidiya Foxglove Anne McCaffrey Tamsin Ley Holly Black Juliet Marillier Kylie Chan Leigh Bardugo Laura Thalassa Elise Kova Cassandra Clare George RR Martin Kathryn Le Veque Andrzej Sapkowski

Swans of the World Alice L. Price,1994 Fully illustrated with swans of legend art nature and the imagination Swans of the World is a treasury and a treasure as well *Kimod and the Swan Maiden* ,1984 *In Search of the Swan Maiden* Barbara Fass Leavy,1994 The swan maiden is a supernatural woman forced to marry keep house and bear children for a mortal man who holds the key to her imprisonment When she manages to regain this key she escapes to the otherworld rarely to return In this book Barbara Fass Leavy studies the meaning of gender in the stories that cluster around the swan maiden The author poses questions concerning how the female folk socialize other women in a man s world how myths of feminine evil attach themselves to widely disseminated folktales and how ominous meanings are obscured by the traditional happy endings of some fairy tales By including the swan maiden in a group of folklore characters designated as animal brides and comparing them to animal grooms Leavy also offers an alternative to the traditional emphasis by folklorists and other scholars on animal groom narratives and shows how the commentators neglect of frog princesses in favor of frog princes for example is paralleled by the folklore themes in stories of shapeshifting women Beautifully written this book reveals the myriad ways in which the folktales become allegories of gender relations Barbara Fass Leavy expertly combines literary gender and cultural studies to present the swan maiden as the prototypical other The swan maiden tale has been interpreted as depicting exogamous marriages Barbara Fass Leavy s argument is a more radical and inclusive variation of this speculation She believes that in the societies in which the tale and its variants were told woman was the other trapped by marriage in a world never quite her own Leavy shows how the tale though rarely explicitly recognized is frequently replayed in modern literature and life

The Swan Maiden Jules Watson,2009-02-24 In this lush romantic retelling of one of the most enduring Irish legends acclaimed Celtic historical author Jules Watson reignites the tale of Deirdre the Irish Helen of Troy in a story that is at once magical beautiful and tragic She was born with a blessing and a curse that she would grow into a woman of extraordinary beauty and bring ruin to the kingdom of Ulster and its ruler the wily Conor Ignoring the pleadings of his druid to expel the infant King Conor secrets the

girl child with a poor couple in his province where no man can covet her There under the tutelage of a shamaness Deirdre comes of age in nature and magic And in the season of her awakening the king is inexorably drawn to her impossible beauty But for Deirdre her fate as a man s possession is worse than death And soon the green eyed girl at home in waterfall and woods finds herself at the side of three rebellious young warriors Among them is the handsome Naisi His heart charged with bitterness toward the aging king and growing in love for the defiant girl Naisi will lead Deirdre far from Ulster and into a war of wits swords and spirit that will take a lifetime to wage Brimming with life and its lusts here is a soaring tale of enchantment and eternal passions and of a woman who became legend
