Swashbuckling Lady:

A Pirate's Life for She Laura Sook Duncombe, 2019-10-01 Pirates are an enduring popular subject depicted often in songs stories and Halloween costumes Yet the truth about pirate women who they were why they went to sea and what their lives were really like is seldom a part of the conversation In this Seven Seas history of the world's female buccaneers A Pirate s Life for She tells the story of 16 women who through the ages who sailed alongside and sometimes in command of their male counterparts These women came from all walks of life but had one thing in common a desire for freedom History has largely ignored these female swashbucklers until now Here are their stories from ancient Norse princess Alfhild to Sayyida al Hurra of the Barbary corsairs from Grace O Malley who terrorized shipping operations around the British Isles during the reign of Queen Elizabeth I to Cheng I Sao who commanded a fleet of 1 400 ships off China in the early 19th century Author Laura Sook Duncombe takes an honest look at these women acknowledging that they are not easy heroines they are lawbreakers A Pirate's Life for She tells their full stories focusing on the reasons they became pirates It is possible to admire the courage determination and skills these women possessed without endorsing her actions These are the remarkable stories of women who took control of their own destinies in a world where the odds were against them empowering young women to Varieties of Female Gothic Vol 6 Gary Kelly, 2020-04-13 This text offers scholarly and reach for their own dreams critical editions of significant novels of Gothic fiction from the Romantic period It illustrates the various forms of female Gothic literature as a vehicle for representing the modern forms of subjectivity or complex and authentic inward experience and identity Thief of Fate Jude Deveraux, Tara Sheets, 2022-10-25 If he truly loves her he ll break her heart When Liam O Connor stole Cora McLeod from her destined soul mate Finley Walsh in 1844 he changed the course of history Now Liam has been given three months to set things right but he has failed to reunite Cora and Finn And with time running out things are looking worse than ever As the three investigate a murder case together they are caught in a devilish love triangle Finn has always loved Cora She has finally realized she wants Liam And Liam knows he has no choice but to push Cora away if he has any hope of avoiding eternal damnation The angels have made it clear balance must be restored As Liam tries desperately to make amends he realizes his actions in the past have put them all in grave danger And once again someone will pay the ultimate price The powerful conclusion to the Providence Falls series Providence Falls Book 1 Chance of a Lifetime Book 2 An Impossible Promise Book 3 Thief of Fate The Pirate's Lady Julia Knight, 2012-06-18 There's a price on privateer Van Gast s head So high that Van is tempted to turn himself in for the reward then escape with it Escaping with full pockets is what he does best He managed to steal a ship a bride a dowry a diamond the size of a fist and then disappear without a trace But this time he can t go very far The woman of his dreams his Josie has stolen his ship and is leading him on a merry chase dangerously close to Estovan the one place Van Gast should steer clear of 89 000 words **Hollywood's Women of Action** Philip Caudrey, 2024-04-26 The action heroine has never been more popular than she is today with the likes of The Hunger

Games 2012 Mad Max Fury Road 2015 and Wonder Woman 2017 granting her a newfound prominence in Hollywood filmmaking When most knowledgeable action fans think of the action heroine historically however they tend to do so through the prism of her most iconic characters Emma Peel in the 1960s Lynda Carter's Wonder Woman in the 1970s Ripley and Sarah Connor in the 1980s Xena Warrior Princess and Buffy the Vampire Slayer in the 1990s and of course the likes of Hermione Granger Katniss Everdeen Imperator Furiosa and Princess Diana in modern times Yet the action heroine s epic journey goes back much further than this Indeed it has its origins in the earliest days of cinema amongst the serial queens of the early silent era and the fleeting cowgirls swordswomen and jungle girls of Hollywood's Golden Age in the 1930s 1940s and 1950s This book is about that epic journey It traces the action heroine's century long struggle for legitimacy and respect beginning with the silent era serial The Perils of Pauline 1914 and ending with the big budget action blockbusters of today This book asks why the action heroine s path towards acceptability on mainstream film and television has proven such a long and tortuous one why she is so hated by a vocal minority of male action fans and how she has overcome the conservativism of the Hollywood system to at last forge a reputation for herself as a genuinely viable protagonist on both the big and small Scoundrel: Zoe Archer, 2010-10-01 A delightful tale of an intelligent competent woman sharing adventure and screens romance with a formidable partner Publishers Weekly starred review The Blades of the Rose are sworn to protect the sources of magic in the world But the work is dangerous and they can t always protect their own Ready For Action London Harcourt's father is bent on subjugating the world's magic to British rule But since London is a mere female he hasn't bothered to tell her so He s said only that he s leading a voyage to the Greek isles No matter after a smothering marriage and three years of straitlaced widowhood London jumps at the opportunity unfortunately right into the arms of Bennett Day Risking It All Bennett is a ladies man when he s not dodging lethal attacks to protect the powers of the ancients from men like London s father Sometimes he s a ladies man even when he is dodging them But the minute he sees London he knows she will require his full attention The woman is lovely brilliant and the only known speaker of a dialect of ancient Greek that holds the key to calling down the wrath of the gods Bennett will be risking his life again but around London what really worries him is the danger to his heart Praise for Warrior The Blades of the Rose Crackles with adventure a rich sense of place and terrific characterization Mary Jo Putney Weaves a delightful spell cleverly blending history and magic Elizabeth Vaughan USA Today bestselling author An innovative and exciting romantic adventure with just the right touch of the paranormal Jennifer Ashley USA Today bestselling author Boozehound Jason Wilson, 2010-09-21 While some may wonder Does the world really need another flavored vodka no one answers this question quite so memorably as spirits writer and raconteur Jason Wilson does in Boozehound By the way the short answer is no A unique blend of travelogue spirits history and recipe collection Boozehound explores the origins of what we drink and the often surprising reasons behind our choices In lieu of odorless colorless tasteless spirits Wilson champions Old World liquors with hard to define flavors a bitter and complex Italian amari or the

ancient aromatic herbs of Chartreuse as well as distinctive New World offerings like lively Peruvian pisco With an eye for adventure Wilson seeks out visceral experiences at the source of production visiting fields of spiky agave in Jalisco entering the heavily and reverently guarded I germeister herb room in Wolfenb ttel and journeying to the French Alps to determine if mustachioed men in berets really handpick blossoms to make elderflower liqueur In addition Boozehound offers more than fifty drink recipes from three riffs on the Manhattan to cocktail geek favorites like the Aviation and the Last Word These recipes are presented alongside a host of opinionated essays that cherish the rare uncover the obscure dethrone the overrated and unravel the mysteries of taste trends and terroir Through his far flung intrepid traveling and tasting Wilson shows us that perhaps nothing else as entwined with the history of human culture is quite as much fun as booze Cries and Lullabies Linda Grant De Pauw, 2014-07-11 In this groundbreaking work which covers thousands of years and spans the globe Linda Grant De Pauw depicts women as victims and as warriors as nurses spies sex workers and wives and mothers of soldiers as warrior queens leading armies into battle and as baggage carriers marching in the rear Beginning with the earliest archaeological evidence of warfare and ending with the dozens of wars in progress today Battle Cries and Lullabies demonstrates that warfare has always and everywhere involved women Following an introductory chapter on the questions raised about women s participation in warfare the book presents a documented chronological survey linked to familiar models of military history De Pauw provides historical context for current public policy debates over the role of women in the military Whether one applauds or deplores their presence and their actions women have always been part of war To ignore this fact grossly distorts our understanding of human history Someone to Love Jude Deveraux, 2007-07-17 The New York Times bestselling author Jude Deveraux brings a wonderful addition Booklist to her Montgomery Taggert Family series with this supernatural romance in which with the help of a feisty ghost a man uncovers the secrets that led to the tragic death of his fianc e After three years Jace Montgomery is still grieving over his fianc e Stacy s mysterious suicide He hasn t been interested in another woman since her passing and her family still blames him for her death While flipping through one of her old paperbacks Jace discovers a photo of a house stuck between the pages bearing the cryptic message Ours again Together forever See you there The note was dated the day before her death Obsessed by the possibility of understanding her suicide Jace seeks out the property Priory House a big brick fortress in Margate England and buys it It doesn't take long to learn that the house is haunted by a headstrong and feisty ghost Ann Stuart whom he must tangle with if he s ever to solve the mystery Ann died under circumstances similar to those of his late fianc e and he has a hunch that there is a connection between the two Through his own investigations and with the help of a beautiful foreign correspondent Jace is forced to reconcile his fianc e s life and her death What follows is a satisfying and seductive discovery of both time and love by one of America's favorite storytellers Agatha Christie M. Makinen, 2006-10-10 Christie's books depict women as adventurous independent figures who renegotiate sexual relationships along more equal lines Women are also allowed to

disrupt society and yet the texts refuse to see them as double deviant because of their femininity This book demonstrates exactly how quietly innovatory Christie was in relation to gender
