Swazi South African Kingdom:

The Swazi Hilda Kuper, 1963 A case study based upon information collected during half a century of field research in Swaziland presenting rare insight into the dynamics of the country's independence problems facing traditional leaders and conflicts of interest and personalities Amazon.com viewed August 24 2020 *The Swazi: a South African Kingdom. [With Plates and a Map.]* afterwards KUPER BEEMER (Hilda), 1963 **Struggle for Swazi Labour, 1890-1920** Jonathan Crush, 1987-11-01 Although the results of colonial expansion have been described in other general studies of the region this is the first book to take a close look at the case of the Swazi in Swaziland Jonathan Crush shows that while the Swazi experienced many of the classic problems of underdevelopment there were also a number of significant differences For example traditional relationships between chiefs and commoners showed much greater resilience than elsewhere This considerably affected the pace and nature of Swaziland's incorporation into South Africa's notorious migrant labour system As well because of the country's proximity to a number of alternative labour markets the Swazi had a greater choice of employment than did many other groups in the region Crush shows how the Swazi were able to use the system to their own advantage and how this helped shape the patterns of early Swazi migrancy The Struggle for Swazi Labour examines the changing nature of the Swazi migrant labour force the spatial patterns and temporal rhythms of migration and the emergence of the Witwatersrand as the dominant though by no means exclusive employer of Swazi labour It also shows how the local history of white settlement and land alienation influenced the manner in which the Swazi were subordinated to foreign economic and political control The book fills an important gap in the history of Swaziland and in the economic history of the south African region as a whole It will be helpful to anyone wishing to understand the pre eminence of traditional personalities and institutions in contemporary Swaziland and to those seeking an explanation for South African economic domination of the surrounding countries Its comparative perspective makes it valuable to a wide range of scholars with interests in the social and economic development of southern Africa as well as to labour and social historians rural economists and economic geographers **The Kingdom of Swaziland** D. Hugh Gillis, 1999-03-30 A scholarly and engaging study this history of Swaziland by an author who spent many years in the kingdom presents a vivid account of the interplay of politics and personalities along the passage to post colonial independence From the early stages of Swazi occupation of the present day kingdom to the accession of Sobhuza II as king in 1921 this book traces problems in consolidating leadership under the Dlamini chieftaincy and examines the influence of Boer and British settlers and of mining and commercial interests on Swazi culture and governance It recounts the story of a thriving small nation that sought to maintain traditional customs and institutions in the face of a powerful European presence Each of the sixteen chapters concentrates on an aspect of political history that has influenced the character of the present day kingdom and much of the material especially after 1900 has not been utilized in previous studies The introduction looks at Swazi experience in a contemporary context evaluating

historic forces that have made for stability in a rapidly changing world Other sections detail the Swazi reaction to European controlled neighboring states the Transvaal Natal and Mozambique the tensions introduced by successive Boer and British policies the Swazi detachment during two external wars 1899 1902 and 1914 1918 and widespread concerns about colonialism and self governance following World War I The Rough Guide to South Africa, Lesotho & Swaziland Barbara McCrea,Donald Reid,Ross Velton,Tony Pinchuck,2012-07-05 Full colour throughout The Rough Guide to South Africa Lesotho Swaziland is the ultimate travel guide to these spectacular countries With 30 years experience and our trademark tell it like it is writing style Rough Guides cover all the basics with practical on the ground details as well as unmissable alternatives to the usual must see sights At the top of your to pack list and guaranteed to get you value for money each guide also reviews the best accommodation and restaurants in all price brackets We know there are times for saving and times for splashing out In The Rough Guide to South Africa Lesotho Swaziland Over 50 colour coded maps featuring every listing Area by area chapter highlights Top 5 boxes Things not to miss section Make the most of your trip with The Rough Guide to South Africa Lesotho Swaziland Now available in ePub format *South Africa-Swaziland Boundary* ,1973 Encyclopedia of Africa Anthony Appiah, Henry Louis Gates (Jr.),2010 The Encyclopedia of Africa presents the most up to date and thorough reference on this region of ever growing importance in world history politics and culture Its core is comprised of the entries focusing on African history and culture from 2005 s acclaimed five volume Africana nearly two thirds of these 1 300 entries have been updated revised and expanded to reflect the most recent scholarship Organized in an A Z format the articles cover prominent individuals events trends places political movements art forms business and trade religions ethnic groups organizations and countries throughout Africa There are articles on contemporary nations of sub Saharan Africa ethnic groups from various regions of Africa and European colonial powers Other examples include Congo River Ivory trade Mau Mau rebellion and Pastoralism The Encyclopedia of Africa is sure to become the essential resource in the field *World Monarchies and Dynasties* John Middleton,2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access World Monarchies and Dynasties includes information on major monarchs and dynasties from ancient time to the

present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes Studies in the Economic History of Southern Africa Z.A. Konczacki, Jane L. Parpart, Timothy M. Shaw, 2014-01-14 First Published in 1990 Volume Two of Studies of Economic History of South Africa looks at the Lesotho and Swaziland regions The unfolding history and historiography of Southern Africa pose profound challenges for both analysis and praxis in the last decade of the twentieth century These challenges are reflected in the range of investigations and contradictions some of which are treated here which together constitute an intellectual and political conjuncture This collection of studies deals with the countries which were not included in the companion book on the economic history of the Front Line States Most of the space in the present volume is devoted to South Africa primarily because of its importance to the region but also because contributions to the economic history of that country in English are very extensive as compared to the other states of Southern Africa **The Swazi** Eugene Paul Polushkin, 1963

As recognized, adventure as with ease as experience virtually lesson, amusement, as without difficulty as bargain can be gotten by just checking out a books **Swazi South African Kingdom** then it is not directly done, you could acknowledge even more roughly speaking this life, nearly the world.

We allow you this proper as competently as easy exaggeration to get those all. We allow Swazi South African Kingdom and numerous books collections from fictions to scientific research in any way. in the course of them is this Swazi South African Kingdom that can be your partner.
