

Swedenborg And The Mysticism Of Science

Jess Byron Hollenback

Swedenborg And The Mysticism Of Science:

Emanuel Swedenborg, Scientist and Mystic Signe Toksvig, 1948 *Emanuel Swedenborg as a Man of Science* Woodbury Melcher Fernald, 1860 Science, Mysticism and Psychical Research John Poynton, 2015-09-04 Science mysticism and psychical research are generally thought to be irreconcilable this book centres on a towering synthesis achieved by the late Michael Whiteman an Associate Professor of Applied Mathematics at the University of Cape Town It is revolutionary Whiteman was able to meld mathematical physics and general science with psychical research and Indian and Western mystical texts clarified by a life time of psychical and mystical experience and coupled with an extensive knowledge of philosophy and psychology Part One is about the experience of states spaces and worlds other than physical It provides essential groundwork for understanding the psychical and mystical Whiteman s own experience is combined with evidence ranging from quantum mechanics to the Upanishads Part Two centres on two murder cases that Whiteman studied as an entry to the concept of the corporate structure of personality and the workings of the mind in personal development Part Three covers his analysis of ancient texts based on his understanding as a mystic His interpretations differ radically from standard treatments Part Four investigates his exploration of non physical existence Part Five considers the mystical life including Whiteman s own and how it relates to physical laws The book concludes with a brief biography *The Kingdom of the Occult* Walter Martin, Jill Martin Rische, Van Gorden Kurt, Kevin Rische, 2008-10-21 The Kingdom of the Occult delivers the timely followup to Dr Martin s best selling The Kingdom of the Cults This book takes Dr Walter Martin s comprehensive knowledge and his dynamic teaching style and forges a strong weapon against the world of the Occult a weapon of the same scope and power as his phenomenal thirty five year bestseller The Kingdom of the Cults over 875 000 sold Chapters include Witchcraft and Wicca Satanism Pagan Religions Tools of the Occult Demon Possession and Exorcism Spiritual Warfare etc Features include Each chapter contains Quick Facts History Case Studies Theology Resources **The Natural philosophy of Emanuel Swedenborg** David Duner, 2012-07-31 Although Emanuel Swedenborg 1688 1772 is commonly known for his spiritual philosophy his early career was focused unnatural science During this period Swedenborg thought of the world was like a gigantic machine following the laws of mechanics and geometry This volume analyzes this mechanistic worldview from the cognitive perspective by means of a study of the metaphors in Swedenborg s texts The author argues that these conceptual metaphors are vital skills of the creative mind and scientific thinking used to create visual analogies and abstract ideas This means that Swedenborg s mechanistic and geometrical worldview allowed him to perceive the world as mechanical and geometrical Swedenborg thought with books and pens The reading gave him associations and clues forced him to interpret and gave him material for his intellectual development *Mysticism* Jess Byron Hollenback, 1996 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new category of sources that

more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic s interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic s experience as well Hollenback also explores the linkage between the mystic s practice of recollection and the onset of other unusual or supernormal manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience Swedenborg and His Influence Erland J. Brock,1988 **A**

Compendium of the Theological and Spiritual Writings of Emanuel Swedenborg Emanuel Swedenborg,1853

Swedenborg and New Paradigm Science Ursula Groll,2000 At the intersection of science and spirituality the theology of Emanuel Swedenborg 1688 1772 shows a remarkable harmony with new discoveries in physics and quantum science Author Ursula Groll draws the two together to reveal a timeless quest for truth **An Encyclopædia of Occultism** Lewis Spence,1920

Swedenborg And The Mysticism Of Science: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Swedenborg And The Mysticism Of Science : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
