Surrealism Pro And Con:

Peter De Vries and Surrealism Dan Campion,1995 De Vries s style and narrative technique are often surrealistic and he mentions surrealism and surrealists in all but two of his twenty six books Yet in fifty years of commentary on De Vries scarcely any notice has been taken of these surrealist elements Surrealism Pro and Con Nicolas Calas,1973 **Robert**

Duncan and the Pragmatist Sublime James Maynard,2018-05-01 This study examines the theoretical underpinnings of Robert Duncan s poetry and poetics The author s overriding concern is Duncan s understanding of excess in relation to poetry and the philosophies of Alfred North Whitehead William James and John Dewey **Forces in Modern &**

Postmodern Poetry Albert Cook,2008 Forces in Modern and Postmodern Poetry examines the works of classic authors in the modern and postmodern literary tradition including St phane Mallarm Wallace Stevens Samuel Beckett Gertrude Stein Charles Olson Paul Celan Ezra Pound William Carlos Williams Louis Zukofsky and John Ashbery all from a comparative perspective The concepts modern and postmodern are not used to provide definitive answers but to raise questions concerning the status of representation issues of the self and the use of imagery and musical invention The wide range of the study is matched by the richly detailed analysis of specific poetic texts from an author noted for the scope and acuity of his attention to modern poetry in all its varied forms doubting Thomist Kirby Olson, Gregory Corso is the most intensely spiritual of the Beat generation poets and still by far the least explored The virtue of Kirby Olson s Gregory Corso Doubting Thomist is that it is the first book to place all of Corso s work in a philosophical perspective concentrating on Corso as a poet torn between a static Catholic Thomist viewpoint and that of a progressive surrealist While Corso is a subject of great controversy his work often being seen as nihilistic and wildly comic Olson argues that Corso s poetry in fact maintains an insistent theme of doubt and faith with regard to his early Catholicism Although many critics have attempted to read his poetry and some have done so brilliantly Olson in his approach and focus is the first to attempt to give a holistic understanding of the oeuvre as essentially one not of entertainment or hilarity but of a deep spiritual and philosophical quest by an important and profound mind In nine chapters Olson addresses Corso from a broad philosophical perspective and shows how Corso takes on particular philosophical issues and contributes to new understandings Corso s concerns like his influence extend beyond the Beat generation as he speaks about concerns that have troubled thinkers from the beginning of the Western tradition and his answers offer provocative new openings for thought Corso may very well be the most important Catholic poet in the American literary canon a visionary like Burroughs and Ginsberg whose work illuminated a generation Written in a lively and engaging style Gregory Corso Doubting Thomist seeks to keep Corso s memory alive and at last delve fully into Corso s poetry **Surrealism Pro and Con** Nicolas Calas,Herbert Joseph Muller,Kenneth Burke,1973

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1975 **Postmodern Music, Postmodern Listening** Jonathan D. Kramer,2016-08-11 Kramer was one of the most visionary musical thinkers of the

second half of the 20th century In his *The Time of Music* he approached the idea of the many different ways that time itself is articulated musically This book has become influential among composers theorists and aestheticians Now in his almost completed text written before his untimely death in 2004 he examines the concept of postmodernism in music Kramer created a series of markers by which we can identify postmodern works He suggests that the postmodern project actually creates a radically different relationship between the composer and listener Written with wit precision and at times playfully subverting traditional tropes to make a very serious point about this difference *Postmodern Music Postmodern Listening* leads us to a strongly grounded intellectual basis for stylistic description and an intuitive sensibility of what postmodernism in music entails *Postmodern Music Postmodern Listening* is an examination of how musical postmodernism is not just a style or movement but a fundamental shift in the relationship between composer and listener The result is a multifaceted and provocative look at a critical turning point in music history one whose implications we are only just beginning to understand

Surrealism and Its Others Katharine Conley, Pierre Taminiaux, 2006-01-01 This issue of *Yale French Studies* on Surrealism and Its Others examines the works and theories of writers artists and thinkers who positioned themselves and their productions in dialogue with Breton's surrealism Although surrealism always sought to distinguish itself from other movements and ideologies its members often celebrated their commonality with many others outside of the official group with whom they shared their passions Marxists visual artists filmmakers psychiatrists and ethnographers Each of the writers artists and thinkers examined here were either temporarily associated with surrealism or were influenced by its collective and open spirit even if in a primarily opposing or questioning role In some cases this outside perspective came from as close as Belgium and other European countries In other cases it came from farther away from North Africa or North America which reveals surrealism's engagement with non European formerly colonized cultures reflects its staunchly anti colonial stance and confirms the movement as something more than an aesthetic phenomenon Along with its aesthetic mission surrealism was also and perhaps more importantly a powerful political and social reality This issue examines works by artists writers and theorists who were all in their own ways located outside of yet close to surrealism and who provide us with a new perspective on this avant garde and modernist movement Martine Antle *Surrealism and the Orient* Adam Jolles *The Tactile Turn Envisioning a Post Colonial Aesthetic in France* Jonathan P Eburne *Automatism and Terror Surrealism Theory and the Postwar Left* Pierre Taminiaux *Breton and Trotsky The Revolutionary Memory of Surrealism* Richard Stamelman *Photography The Marvelous Precipitate of Desire* Robert Harvey *Where's Duchamp Out Queering the Field* Raphaëlle Moine *From Surrealist Cinema to Surrealism in the Cinema Does a Surrealist Genre Exist in Film* Georgiana M M Colville *Between Surrealism and Magic Realism The Early Feature Films of Andr Delvaux 1926 2002 the Other Delvaux* Katharine Conley *Surrealism and Outsider Art From the Automatic Message to Andr Breton's Collection*
