**Under the Hood** Stan Slap, 2024-10-29 You can't sell it outside if you can't sell it inside You want maximum business performance Look under the hood and you'll find your employee culture it is the power that drives the enterprise engine To harness that rumbling power you've got to solve the mystery of what an employee culture actually is how it operates and how to move it forward These are the keys that this book will put right in your hands Renowned business culture expert Stan Slap knows the difference between understanding your employees and understanding your employee culture The distinction isn't semantics it's the key to whether your strategies will succeed or fail This myth busting book reveals why an employee culture is an independent organism with its own rules beliefs and motivations and the power to make or break any management plan and any manager right along with it Slap shows you how to get whatever you want from your employee culture whether it's

improved accountability innovation flexibility resilience energy loyalty or trust Along the way he solves mysteries that have puzzled managers since the first Mesopotamian farmer hired some help including Why does an employee culture really resist change What does it care about more than money Why does it respond to leadership differently than to management How does it talk to itself and what does it mean when it won't talk to you Why are company values the most dangerous threat to gaining its trust If you have a wonderful employee culture this book will help you scale it If you have a troubled employee culture this book will help you fix it If you have an employee culture under pressure this book will help you ease it If you have a new employee culture this book will help you shape it And if you are investing in a company this book will help you protect your greatest purchasable asset Under the Hood is informed by immaculate research including surveys of more than 15 000 employees from companies the world over It's packed with original tactics that have driven performance for many organizations and countless managers And it includes jaw dropping inside stories of employee cultures from the likes of Samsung Oracle Progressive CNN during wartime Paul McCartney's band and the Super Bowl film crew It's all delivered in classic Stan Slap style profound and provocative heartfelt and often hysterical This is not simply a management book it is the business case for humanity Management advice doesn't get realer or more important than this **Authority and**

**Subversion** Linda Clark, 2003 The themes of authority and subversion explored in relation to royal power orthodox religion and violence and disorder The essays in this volume explore themes long seen as central to the history of late medieval England and Europe They examine the strength of opposition to Henry IV's usurpation the nature and extent of the lollards' resistance to orthodox religion and the contrasting causes of violence and disorder in the remote border regions at opposite ends of the country in Cornwall and in the north west Subversion of its authority might be counteracted by a regime which recognized the importance of pageantry to bolster its public profile while a complex weave of patronage private interest and dedicated service enabled the Exchequer to function through periods of financial crisis Relations between the Crown and urban centres potentially a cause of tension were eased by an emerging body of professional urban law officers prepared to act as intermediaries Contributors PETER BOOTH CLIVE BURGESS KEITH DOCKRAY ALASTAIR DUNN PETER W FLEMING IAN FORREST DAVID GRUMMITT HANNES KLEINEKE J L LAYNSMITH JAMES LEE FRANK D MILLARD JAMES ROSS SIMON WALKER Here are Mysteries John Gilbert Lockhart, 1927 **King Harold II and the Bayeux Tapestry**

Gale R. Owen-Crocker, 2011 Harold II is chiefly remembered today perhaps unfairly for the brevity of his reign and his death at the Battle of Hastings The papers collected here seek to shed new light on the man and his milieu before and after that climax They explore the long career and the dynastic network behind Harold Godwinsson's accession on the death of King Edward the Confessor in January 1066 looking in particular at the important questions as to whether Harold's kingship was opportunist or long planned a usurpation or a legitimate succession in terms of his Anglo Scandinavian kinships They also examine the posthumous legends that Harold survived Hastings and lived on as a religious recluse The essays in the second

part of the volume focus on the Bayeux Tapestry bringing out the small details which would have resonated significantly for contemporary audiences both Norman and English to suggest how they judged Harold and the other players in the succession drama of 1066 Other aspects of the Tapestry are also covered the possible patron and locations the Tapestry was produced for where and how it was designed and the various sources artistic and real employed by the artist     **The Legend of Snow Wolf** F. Lit Yu,2012 A martial arts epic fantasy set in the China Mongolia border in legendary times Wolves and men fight for domination of the steppes a young warrior must make a perilous quest to discover the secret of Snow Wolf in order to save his people     **Square and Compass** ,1911     Kingdoms of Legend: Sands of Destiny Nate Christen,2012-05
