Survival Among The Kurds A Study Of The Yezidis

Günes Murat Tezcür

Survival Among The Kurds A Study Of The Yezidis:

Survival Among The Kurds John S. Guest, 2012-11-12 First published in 1993 The Yezidis are a community of around 200 000 Kurds who possess their own religion quite distinct from Islam which most other Kurds profess and from the Christian and Jewish faiths The Yezidis live in the northern parts of Iraq and Syria in eastern Turkey in Germany and in the ex Soviet republics of Armenia and Georgia In Armenia the Yezidis long classified as Kurds are now recognized as a separate minority group and the term Kurd is applied only to Moslem Kurds This book stems from a conversation with the Yezidi priest of the village who remarked that now the children were learning to read and write they were asking him questions about the Yezidi scriptures and the history of the community Lacking any written material he could only repeat to them the oral traditions he had himself learned as a child

Survival Among The Kurds John S. Guest, 2012-11-12 First published in 1993 The Yezidis are a community of around 200 000 Kurds who possess their own religion quite distinct from Islam which most other Kurds profess and from the Christian and Jewish faiths The Yezidis live in the northern parts of Iraq and Syria in eastern Turkey in Germany and in the ex Soviet republics of Armenia and Georgia In Armenia the Yezidis long classified as Kurds are now recognized as a separate minority group and the term Kurd is applied only to Moslem Kurds This book stems from a conversation with the Yezidi priest of the village who remarked that now the children were learning to read and write they were asking him questions about the Yezidi scriptures and the history of the community Lacking any written material he could only repeat to them the oral traditions he had himself learned as a child

Kurds and Yezidis in the Middle East Günes Murat Tezcür, 2021-01-28 The diversity of Kurdish communities across the Middle East is now recognized as central to understanding both the challenges and opportunities for their representation and politics Yet little scholarship has focused on the complexities within these different groups and the range of their experiences This book diversifies the literature on Kurdish Studies by offering close analyses of subjects which have not been adequately researched and in particular by highlighting the Kurds relationship to the Yazidis Case studies include the political ideas of Ehmede Xani the father of Kurdish nationalism Kurdish refugees in camps in Iraq the perception of the Kurds by Armenians in the late Ottoman Empire and the Turks in modern Western Turkey and the important connections and shared heritage of the Kurds and the Yazidis especially in the aftermath of the 2014 ISIS attacks The book comprises the leading voices in Kurdish Studies and combines in depth empirical work with theoretical and conceptual discussions to take the debates in the field in new directions The study is divided into three thematic sections to capture new insights into the heterogeneous aspects of Kurdish history and identity In doing so contributors explain why we need to pay close attention to the shifting identities and the diversity of the Kurds and what implications this has for Middle East Studies and Minority Studies more generally

The Yezidis Birgül Açıkyıldız, 2014-12-23 Yezidism is a fascinating part of the rich cultural mosaic of the Middle East The Yezidi faith emerged for the first time in the twelfth century in the Kurdish mountains of northern Iraq The religion which has become notorious

for its associations with devil worship is in fact an intricate syncretic system of belief incorporating elements from proto Indo European religions early Iranian faiths like Zoroastrianism and Manichaeism Sufism and regional paganism like Mithraism Birgul Acikyildiz here offers a comprehensive appraisal of Yezidi religion society and culture Written without presupposing any prior knowledge about Yezidism and in an accessible and readable style her book examines Yezidis not only from a religious point of view but as a historical and social phenomenon She throws light on the origins of Yezidism and charts its development and changing fortunes from its beginnings to the present as part of the general history of the Kurds Her book is the first to place Yezidism in its complete geographical setting in Northern Iraq Turkey Syria and Transcaucasia The author describes the Yezidi belief system which considers Tawusi Melek the Peacock Angel to be ruler of the earth and its religious practices and observances analysing the most important facets of Yezidi religious art and architecture including funerary monuments and zoomorphic tombstones and their relationship to their neighbours throughout the Middle East Acikyildiz also explores the often misunderstood connections between Yezidism and the Satan Sheitan of Christian and Muslim tradition Richly illustrated with accompanying maps photographs and illustrations this pioneering book will have strong appeal to all those with an interest in the culture of the Kurds as well as the wider region **The Yezidi Oral Tradition in Iraqi**

Kurdistan Christine Allison,2001-09-14 The Yezidis are a Kurdish speaking religious minority neither Muslim Christian nor Jewish Their ethnicity has been disputed but most now claim Kurdish identity Their heartland including their holiest shrine is in the Badinan province of Northern Iraq and it is the communities in this area which are the main focus of this book Their highly Yezidis in Syria Sebastian Maisel,2016-12-24 Yezidis in Syria Identity Building among a Double Minority traces the development of Yezidi identity on the margins of Syria s minority context This little known group is connected to the community s main living area in northern Iraq but evolved as a separate identity group in the context of Syria s colonial national and revolutionary history Always on the bottom of the socio economic hierarchy the two sub groups located in the Kurdagh and the Jezira experience a period of sociological and theological renewal in their quest for a recognized and protected status in the new Syria In this book Sebastian Maisel transmits and analyzes the Yezidi perspective on Syria s policies towards ethnic and religious minorities **The Yezidis** John S. Guest,2023-01-27 First Published in 1987 The

Yezidis A Study in Survival traces the origin of Yezidi community s religion describes the discovery of the people by Western travellers in the early nineteenth century and details the Yezidi community s traumatic history and their status in the 80s The Yezidi religious group is spread out over Iraq Turkey Syria and erstwhile USSR and have retained their identity for over 500 years The Yezidis believe that Lucifer the fallen angel has been forgiven by God and reinstated as chief angel their history is like their faith characterized by dignity and survival in the face of great odds Chapters also cover Sultan Abdul Hamid s cruel but vain efforts to force the Yezidis to embrace Islam leading to the emergence of Mayan Khatun a strong willed Yezidi princess who ruled the community from 1913 1958 They include vivid account of her rivalry with her brother Ismail and the

ill fated marriage between her son and his daughter The final chapter describes the community in Soviet Armenia and Georgia This book is a must read for students of Middle East studies and Middle East history

Historical Dictionary of the Kurds Michael M. Gunter, 2018-02-20 The failed states of Iraq and Syria plus the rise and fall of ISIS have helped lead to near Kurdish statehood in Iraq the KRG and Kurdish autonomy in Syria Rojava In Turkey too as illustrated by its negotiations and temporary cease fire with the PKK and the rise of the HDP as the first pro Kurdish party to be elected to the Turkish parliament as a party and not as mere independents the Kurds have reached new heights of recognition These major developments and much more are prominently reflected and developed in this new third edition of Historical Dictionary of the Kurds This third edition of Historical Dictionary of the Kurds contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture of the Kurds This book is an excellent resource for students researchers and anyone wanting to know more about the Kurds

The Ottoman East in the Nineteenth Century Ali Sipahi, Dzovinar Derderian, Yasar Tolga Cora, 2016-06-10 The Ottoman East what is also called Western Armenia Northern Kurdistan or Eastern Anatolia compared to other peripheries of the Ottoman Empire has received very little attention in Ottoman historiography So called taboo subjects such as the fate of Ottoman Armenians and the Kurdish Question during the latter years of the Ottoman Empire have contributed to this dearth of analysis By integrating the Armenian and Kurdish elements into the study of the Ottoman Empire this book seeks to emphasise the interaction of different ethno religious groups As an area where Ottoman centralization faced unsurpassable challenges the Ottoman East offers an ideal opportunity to examine an alternative social and political model for imperial governance and the means by which provincial rule interacted with the Ottoman centre Discussing vital issues across this geographical area such as trade routes regional economic trends migration patterns and the molding of local and national identities this book offers a unique and fresh approach to the history and politics of modernization and empire in the wider region

Kurdish Culture and Society Lokman I. Meho, Kelly L. Maglaughlin, 2001-02-28 Unique timely and up to date this volume is the first comprehensive bibliography on Kurdish culture and society Compiled to help students educators researchers and policy makers find relevant information with ease the book includes more than 930 items in four major languages Arabic English French and German This work covers the fields of anthropology archaeology art communication demography travel economy education ethnicity health journalism language literature migration music religion social structure urbanization and women s studies The volume includes books and book chapters journal articles Ph D dissertations conference papers articles in dictionaries and encyclopedias and important Web sites Essays provide an overview of Kurdish society as well as surveys of Kurdish life in Syria the former Soviet Union Europe and Lebanon An invaluable guide for researchers interested in the Kurds and Kurdistan this book will aid in the location of information that is highly diverse and scattered With its focus on a timely subject this book fills a major gap in the

bibliographic literature
