unpredictable weather piracy drug dealers and places that were notorious for violence against anybody perceived to be an outsider Despite the dangers they would meet a host of interesting and unusual characters Families who had also made the sea their home and strangers who would become close friends Keeping in contact with each other as they journeyed forth such camaraderie would prove essential throughout their journey They would discover that these newly found relationships would be a vital ingredient in holding them together in their most desperate times particularly on occasions when they would question their own rationale Three Years at Sea is a tale of courage discipline and a family s devotion to succeed as they set out on a three year sailing trip of 26 000 nautical miles of ocean An account of a family s unity unexpected learning and daring to accomplish their dream a true adventure of danger and discovery **Into the Storm** Dennis N. T. Perkins, Jillian B. Murphy, 2013 Winner of the Small Business Book Awards from Small Business Trends 2013 The Sydney Hobart Yacht Race is among the most demanding sailing competitions in the world Unpredictable seas make the 628 nautical mile course grueling under the best conditions but the 1998 race proved to be the most perilous to date when a sudden and violent storm struck Winds gusted over 100 mph and monstrous 80 foot waves towered over boat masts Six sailors perished and another 55 were saved in what became the largest search and rescue operation in Australia s history In the face of turmoil and tragedy a crew of amateur sailors piloted their tiny vessel the AFR Midnight Rambler not only to the finish but to overall victory While bigger better equipped yachts attempted to maneuver around the storm Ed Psaltis and his crew made the daring decision to head directly into its path Their triumph perhaps even their survival owes itself to an extraordinary level of teamwork an alchemy of cooperation trust planning and execution Into the Storm chronicles their nearly four day ordeal and draws parallels to the world of business revealing 10 critical strategies for teamwork at the edge Illustrated with examples from the story and compelling case studies the book sheds light on what teams need to do to succeed in tough times Finally Into the Storm provides resources and tools to support teams as they navigate the chaotic seas of business today Collected Reprints , 1993
