leasing processes and maps the relationships between investors middlemen and local men She shows how property is a tool with which foreigners reassert capitalism and neocolonial control over Indigenous landscapes The legal identity of landowner contains foundational contradictions between the rights established in Vanuatu s kastom system and those afforded by property as individualized rights over land Property has also created sites for the production of masculine authority and enabled men to manipulate claims to land and entrench their personal power This book explores how transactions of customary land have created new domains of agency and frontiers of desire foreign desire to possess land and local desire to lease land for cash It concludes with a discussion of Vanuatu s constitutional and land reform package drafted by the author which took effect in 2014 and delivered a more empathetic approach to Indigenous land rights and ended the land rush Informed by decades of study legal work and community engagement My Land My Life demonstrates an engaged anthropological practice based on reciprocity that responds directly to what Indigenous people have asked for This book is certain to appeal to a wide range of scholars as well as policy makers

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him.
