Cohen,2018-03-28 2017 Wiener Library Ernst Fraenkel Prize WLEFP Finalist The majority of European Jewish children alive in 1939 were murdered during the Holocaust Of 1 5 million children only an estimated 150 000 survived In the aftermath of the Shoah efforts by American Jews brought several thousand of these child survivors to the United States In Child Survivors of the Holocaust historian Beth B Cohen weaves together survivor testimonies and archival documents to bring their story to light She reveals that even as child survivors were resettled and saved they struggled to adapt to new lives as members of adoptive families previously unknown American Jewish kin networks or their own survivor relatives Nonetheless the youngsters moved ahead As Cohen demonstrates the experiences both during and after the war shadowed their lives and relationships through adulthood yet an identity as survivors eluded them for decades Now as the last living link to the Holocaust the voices of Child Survivors are finally being heard

The Hidden Children Jane Marks,2015-06-17 They hid wherever they could for as long as it took the Allies to win the war Jewish children frightened alone often separated from their families For months even years they faced the constant danger of discovery fabricating new identities at a young age sacrificing their childhoods to save their lives These secret survivors have suppressed these painful memories for decades Now in The Hidden Children twenty three adult survivors share their moving wartime experiences some for the first time There is Rosa who hid in an impoverished one room farmhouse with three others sleeping on a clay pallet behind a stove Renee who posed as a Catholic and was kept in a convent by nuns who knew her secret and Richard who lived in a closet with his family for thirteen months Their personal stories of belief and determination give a voice at last to the forgotten Inspiring and life affirming The Hidden Children is an unparalleled document of witness discovery and the miracle of human courage
