Survivors Of The Holocaust:

Children of the Holocaust Helen Epstein, 1988-10-01 I set out to find a group of people who like me were possessed by a history they had never lived The daughter of Holocaust survivors Helen Epstein traveled from America to Europe to Israel searching for one vital thin in common their parent s persecution by the Nazis She found Gabriela Korda who was raised by her parents as a German Protestant in South America Albert Singerman who fought in the jungles of Vietnam to prove that he too could survive a grueling ordeal Deborah Schwartz a Southern beauty queen who at the Miss America pageant played the same Chopin piece that was played over Polish radio during Hitler s invasion Epstein interviewed hundreds of men and women coping with an extraordinary legacy In each she found shades of herself *Child Survivors of the Holocaust* Paul Valent, 2013-07-04 At the end of the Second World War approximately 1 5 million Jewish children had been killed by the Nazis In this book ten child survivors tell their stories Paul Valent himself a child survivor and psychiatrist explores with profound analytical insight the deepest memories of those survivors he interviewed Their experiences range from living in hiding to physical and sexual abuse *Child Survivors of the Holocaust* preserves and integrates the personal narratives and the therapist s perspective in an amazing chronicle The stories in this book contribute to questions concerning the roots of morality memory resilience and specific scientific queries of the origins of psychosomatic symptoms psychiatric illness and trans generational transmission of trauma *Child Survivors of the Holocaust* speaks to the trauma facing contemporary child victims of abuse worldwide through past narratives of the Holocaust *Hidden Children* André Stein, 1994 Ten stories of children who experienced the holocaust firsthand **Why Me? Memoirs of Holocaust Survivors** Joseph Rebhun, 2007-09-01 Joseph Rebhun a survivor of the Holocaust attempts to address the question of why during times of great calamity some people survive while others do not *Child Holocaust Survivors* Robert Krell, 2007-10-29 The majority of children who survived the Holocaust whether in hiding or in labour and concentration camps remained silent about their wartime experiences Those who wanted to talk were often silenced by well meaning adults who advised them to forget the past and get on with their lives The memories and traumas simmered for nearly forty years each child growing into adulthood thinking they alone struggled with the problems of traumatic memory identity confusion and other consequences In the 1980 s there was a stirring of awareness amongst some child survivors about issues to be addressed Small groups formed in the U S A and Canada and gave birth to the child survivor movement culminating in a large international gathering of *Hidden Children* in New York in 1991 This book comprises a compilation of talks offered to child Holocaust survivors over a 25 year period from the birth of self awareness to present day awareness of the need to inform the next generations of their parent s experiences Dasberg Krell and Wiesel are themselves child survivors Moskovitz founded the Los Angeles Child Survivor group following her pioneering study of child survivors Gilbert has written and lectured extensively about children in the Holocaust This book offers the child survivor an opportunity to reflect not only on survival but its effects For the spouses and

children it clarifies some of the dynamics unique to their families and for Mental Health professionals it provides insights into the effects of trauma as well as the remarkable resilience of traumatized children How We Survived, Meet the children from World War II's Europe who faced and survived the reality of Germany's decision to annihilate Judaism at its roots Experience through frightened eyes and terrifying memories the remarkable first hand stories of survival by 52 people who lived as children through this most horrific event of the 20th century the Holocaust You will find yourself privileged to become a witness for posterity to these stories of Holocaust survival This volume of personal accounts is all the more precious because of how few children survived In Nazi occupied Europe 93% of Jewish children were murdered Every surviving child needed a helping hand a kind adult or many in order to make it Heroism comes in many guises It may require faith morality modesty love respect and sacrifice Whatever the personal ingredients relatively few stepped forward What did the children themselves contribute Their silence co operation intuition facility with languages suppression of grief and tears delay of mourning enormous losses the will to live Astonishing A child one day an adult the next There could not be even one mistake The penalty for any failure of judgment meant death The reader should note that these traumatized children did not become killers or thieves They struggled to become good citizens raise families and contribute to their communities If survival itself was a miracle so was surviving survival Each one of the stories offers an opportunity to learn from a child's experiences with prejudicial hatred and pure evil about personal fortitude and resilience about rare individuals who helped children in need and about courage the courage of the survivor to share his or her story The reader will be well rewarded

The Faith and Doubt of Holocaust Survivors Reeve Robert Brenner, 2014-03-31 The Faith and Doubt of Holocaust Survivors reveals the victims frank and thought provoking answers to searching questions about their experiences Was the Holocaust God's will Was there any meaning or purpose in the Holocaust Was Israel worth the price six million had to pay Did the experience in the death camps bring about an avowal of faith A denial of God A reaffirmation of religious belief Did the Holocaust change beliefs about the coming of the Messiah the Torah the Jews as the chosen people and the nature of God Drawing on the responses of seven hundred survivors Reeve Robert Brenner reveals the changes rejections reaffirmations doubts and despairs that have so profoundly affected the faith practices ideas and attitudes of survivors and by extension the entire Jewish people Many survivors carried their deepest secrets and innermost beliefs silently from internment to internment But Brenner's quest provided the impetus for many survivors to end their silence about the past and come forth with their feelings In poignant vignettes scattered throughout the book their answers to these profound questions are offered disclosing ardent overpowering passions and sensibilities **Against All Odds** William B. Helmreich, 2017-07-05 Against All Odds is the first comprehensive look at the 140 000 Jewish Holocaust survivors who came to America and the lives they have made here William Helmreich writes of their experiences beginning with their first arrival in the United States the mixed reactions they encountered from American Jews who were not always eager to receive them their choices about where to live

in America and their efforts in finding marriage partners with whom they felt most comfortable most often other survivors In preparation Helmreich spent more than six years traveling the United States listening to the personal stories of hundreds of survivors and examining more than 15 000 pages of data as well as new material from archives that have never before been available to create this remarkable groundbreaking work What emerges is a picture that is sharply different from the stereotypical image of survivors as people who are chronically depressed anxious and fearful This intimate enlightening work explores questions about prevailing over hardship and adversity how people who have gone through such experiences pick up the threads of their lives where they obtain the strength and spirit to go on and finally what lessons the rest of us can learn about overcoming tragedy Messages and Memories H. Dasberg,1999 **Survivors of the Holocaust** Hanna Yablonka,2016-07-27 This book deals with the integration of thousands of survivors of the Holocaust into Israeli society in the early years of the new State s existence Among the issues discussed are the ways in which the survivors were recruited into the defence forces and the role they played in the War of Independence the settlement of the immigrants in towns and villages abandoned by Arabs during the war and the immigrant youth
