Susanna Wesley Susanna Wesley, 1997-06-26 Susanna Wesley long celebrated in Methodist mythology as mother of the movement's founders now takes place as a practical theologian in her own right This collection of her letters spiritual diary and longer treatises only one of which was published in her lifetime shows her to be more than the nurturing mother of Wesleyan legend It also reveals her to be a well educated woman in conversation with contemporary theological philosophical and literary works Her quotations and allusions include Locke Pascal and Herbert as well as a number of now forgotten theologians In some of her work one can distinguish doctrinal and spiritual leanings such as Arminianism and Christian perfection that would later find wide expression in the spread of Methodism Further her writings demonstrate her readiness for conscience's sake to stand up to the men in her life father husband and sons and the three incarnations of English Protestantism they represented respectively Puritanism the Established Church and the new Methodist movement Tracing these incidents in her letters and diaries a reader can begin to understand how spirituality even an otherwise conservative one in rather restrictive times can serve to empower the voice of women The Hong Kong Connection, a Susanna Sloane Novel S. G. Kiner, 2008-11-01 Securities attorney Susanna Sloane is engaged as a consultant by the Chinese government While in Hong Kong she is drugged and unknowingly raped and photographed nude by Henry Wu a Chinese official She begins to have bizarre and unnerving psychic episodes Assisted by a hypnotherapist she discovers how Wu had used her The secretary of the treasury Roger Howell enlists her aid in preventing the Chinese government's manipulation and purchase of oil futures She travels with Howell to Beijing They begin an affair The Chinese hire Susanna to negotiate oil field development in Venezuela Susanna devises a scheme to benefit both China and the U S She returns to Hong Kong to destroy Wu's photos and with the aid of the Russian mob breaks into Wu's apartment Events spiral out of control and Wu and his housekeeper are killed The Chinese send investigators to New York to question her but a high ranking Chinese general secretly delighted at the removal of a political rival stops them Voyages Out, Voyages Home Jane de Gay, Marion Dell, 2018-09-15 The Eleventh Annual Conference on Virginia Woolf was the first to be held outside the United States This voyage across the Atlantic was the stimulus for an exploration of themes of voyaging in Woolf's works from her interests in travel and cross cultural encounters to her imaginative voyages between texts and genres and the subsequent voyages her texts have made into the work of others Published nine years after the conference this selection of papers by international scholars fills a gap in the chronicles of the Woolf conference For this reason several papers feature an Afterword outlining developments in research since 2001 and the book also includes a Bibliography of Publications Arising from the Conference facilitating access to research presented at Bangor but published elsewhere Another special feature of the volume is the tribute to one of the keynote speakers Julia Briggs who died in 2007 in which Beth Rigel Daugherty communicates the gratitude of the scholarly community for Julia's many contributions to Woolf studies This welcome publication is a fitting

record of our collective voyage as Woolf scholars *Home Life; a Journal* Elizabeth Missing Sewell, 1867 **Punch** Mark
