McMillen, 2015-07-01 By the twentieth century North Carolina's progressive streak had strengthened thanks in large part to a growing number of women who engaged in and influenced state and national policies and politics These women included Gertrude Weil who fought tirelessly for the Nineteenth Amendment which extended suffrage to women and founded the state chapter of the League of Women Voters once the amendment was ratified in 1920 Gladys Avery Tillett an ardent Democrat and supporter of Roosevelt's New Deal became a major presence in her party at both the state and national levels Guion Griffis Johnson turned to volunteer work in the postwar years becoming one of the state's most prominent female civic leaders Through her excellent education keen legal mind and family prominence Susie Sharp in 1949 became the first woman judge in North Carolina and in 1974 the first woman in the nation to be elected and serve as chief justice of a state supreme court Throughout her life the Reverend Dr Anna Pauline Pauli Murray charted a religious literary and political path to racial reconciliation on both a national stage and in North Carolina This is the second of two volumes that together explore the diverse and changing patterns of North Carolina women's lives The essays in this volume cover the period beginning with women born in the late nineteenth and early twentieth centuries but who made their greatest contributions to the social political cultural legal and economic life of the state during the late progressive era through the late twentieth century Women in American Politics: History and Milestones Doris Weatherford, 2012-01-20 Women in American Politics is a new reference detailing the milestones and trends in women's political participation in the

Shortlisted Hannah Brenner Johnson, Renee Knake Jefferson, Melissa Murray, 2020-05-12 Shortlisted is the inspiring and previously untold history of the women considered but not selected for the U S Supreme Court In 1981 after almost two centuries of exclusively male appointments Sandra Day O Connor became the first female Supreme Court Justice of the United States a significant historical moment and a symbolic triumph for women s rights supporters But there were other remarkable women shortlisted for the Supreme Court in the decades before O Connor s success Shortlisted gives nine women formally considered but passed over for a seat on the Supreme Court going back to the 1930s the recognition they deserve Award winning scholars Renee Knake Jefferson and Hannah Brenner Johnson rely on previously unpublished materials to illustrate the professional and personal lives of these accomplished women From Florence Allen the first woman judge in Ohio and the first to appear on a president s list for the Court to Cornelia Kennedy the first woman to serve as chief judge of a US district court shortlisted by Ford and Reagan Shortlisted shares the overlooked stories of those who paved the way for women s representation throughout the legal profession and beyond Filling a notable historical gap the book also exposes the harms of shortlisting revealing how adding qualified female candidates to a list but passing over them creates the appearance of diversity while preserving the status quo Women especially female minorities while as qualified as others

on the shortlist if not more so find themselves far less likely to be chosen With the stories of these nine exemplary women as a framework Shortlisted offers all women a valuable set of strategies for upending these enduring injustices Women and Work ,1974 *The Life of Elreta Melton Alexander* Virginia L. Summey,2022-05 Women & Work ,1973 **Triumph of Good Will** John Drescher,2010-01-06 In the spring of 1960 two talented capable men each with great passion and conviction opposed each other in a pivotal governor s race that was to shake North Carolina and change southern politics forever Both Terry Sanford and I Beverly Lake were Democrats in the one party South of that era Yet they were different in almost every other way Lake a middle aged law professor was committed to segregation Sanford an ambitious young politician and lawyer believed in expanding opportunities for all citizens In their run off Lake wanted the contest to be a referendum on preserving segregation Sanford s platform rested on the improvement of public schools It was a heated struggle that would bind them together for the rest of their lives With unparalleled access to both sides and an objective correspondent s hindsight view John Drescher has written the biography of a campaign that set the winning strategy for many who followed and of a winning candidate a governor rated as one of the finest of the twentieth century Sanford the moderate won and his victory is an oddity for in the civil rights period from 1957 to 1973 only twice in the South did racial moderates defeat strong segregationists in a governor s race In a gamble that almost cost Sanford the election he became the first major politician in the Bible Belt to endorse the Catholic John F Kennedy for president In the November vote he defeated his Republican opponent in what was then the closest North Carolina governor s race of the century His win validated his belief in the triumph of good will among North Carolina s people Sanford became a bold aggressive governor of unusual energy and creativity His school program added teachers and dramatically raised teacher pay He helped establish a statewide system of community colleges and started an anti poverty fund later emulated by LBJ as a model for the War on Poverty He was the first southern governor to call for employment without regard to race or creed Sanford became the model for other southern governors who stressed education and a moderate stand on race relations He influenced other gubernatorial candidates across Dixie Jim Hunt in his own state William Winter in Mississippi Dick Riley in South Carolina Bill Clinton in Arkansas The effects of that 1960 race continue to be felt in North Carolina in the South and across the nation Great American Judges John R.
