## **Suspicious Minds:**

**The Billboard Book of Number One Hits** Fred Bronson, 2003 Provides lists of hit songs by date with information on the artist songwriter producer label and offering interviews with popular artists The Colonel Alanna Nash, 2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music Elvis Presley His real name wasn't Tom Parker indeed he wasn't an American at all but a Dutch immigrant called Andreas van Kujik And he certainly wasn't a proper military colonel he purchased his title from a man in Louisiana But while the Colonel has long been acknowledged as something of a charlatan this book is the first to reveal the extraordinary extent of the secrets he concealed and the consequences for the career and ultimately the life of the star he managed As Alanna Nash prodigious research has discovered the Colonel left Holland most probably because at the age of twenty he bludgeoned a woman to death Entering the US illegally he then enlisted in the army as Tom Parker But with supreme irony for someone later styling himself as Colonel Parker's military career ended in desertion and discharge after a psychiatrist had certified him as a psychopath He then became a fairground barker working sideshows with a zeal for small scale huckstering and the casual scam that never left him And by the height of Elvis's success Parker had become a pathological gambler who at the same time as he was taking amazingly a full 50% of Presley's earnings frittered away all his wealth in the casinos of Las Vegas As Nash shows therefore the often baffling trajectory of Elvis Presley's career makes perfect sense once the secret imperatives of the Colonel's life are known Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there Even at his most famous Elvis was still being booked to play out of the way towns in North Carolina because the former fairground barker who shamelessly negotiated as such even with top record company and film executives knew them from his days on the circus circuit And Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly seven days a week until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open cheat whose huge earnings prevented his manager's losses at the gambling tables being called in Alanna Nash knew Parker towards the end of his life and has now uncovered the whole story improbable shocking and never less than compelling of how this larger than life man made and then unmade popular music's first and greatest superstar **Create America** Vernon Weaver, 2022-10-25 You will find that Create America is both enlightening and entertaining It is written from the scriptural teaching standpoint As an ordained minister scripturally backing his work is paramount Vernon shares that coming to know the Lord as his Savior his life's challenges and the many profound ways in which God prepared the path before him better both himself and his family as well as mankind He leads the way in exploring in depth God's providential care both past present and future The intent of Create America is to open our eyes to God's creation of situations scenarios and opportunities for and with humanity to accomplish or fulfill our God given purpose on this earth With where we are in America today the success of Creating America depends ultimately upon our

choices from this point forward as God's children Through your study with Create America you will see how the things in our life are more absolute than we ever imagined proving our God is a purposeful God Vernon is a living proof that God's power is given to us in His Holy Spirit indwelling and working through us individually to create a better America Ultimately we all can do our part to create a godly America for His honor and glory
