Swans Chance:

Ambergate Patricia Elliott, 2011-10-06 I am the girl with no name I have a secret I must never tell If I do they will come after me the Protector and his men Only a number branded on her arm betrays the orphan girl's past When she arrives at Murkmere Hall to be a kitchen maid they call her Scuff and little guess she has committed a terrible crime Haunted by her dark secret all Scuff can do is pray to the divine beings the birds for forgiveness Now five years later the past is catching up with Scuff Hunted from all sides she flees Murkmere only to be forced back to the cruel confines of the Capital and the Orphans Home where it all began Set in the capital city this has a very different feel from Murkmere but is still grounded in the bird tradition superstition and religion that haunts the first book

Chance, Logic And Intuition: An Introduction To The Counter-intuitive Logic Of Chance Steven Tijms, 2021-02-18 Chance rules our daily lives in many different ways From the outcomes of the lottery to the outcomes of medical tests from the basketball court to the court of law The ways of chance are capricious Bizarre things happen all the time Nevertheless chance has a logic of its own It obeys the rules of probability But if you open a standard book on probability you may very well feel far removed from everyday life Abstract formulas and mathematical symbols stare back at you with almost every turn of the page This book introduces you to the logic of chance without the use of mathematical formulas or symbols In Part One you will meet the fascinating pioneers of the mathematics of probability including Galileo Galilei and Blaise Pascal Their stories will introduce you step by step to the basics of probability In Part Two various examples in all areas of daily life will show you how chance defies our expectations time and again But armed with the basic rules of probability and a good dose of inventiveness you will be able to unravel the counter intuitive logic of chance

Winter Swans Danica Winters, 2013-10-07 A curse that forbids her to love A child that he must keep secret An attack on the culture she holds dear And a battle that could get them killed Single dad and professional poker player Chance Landon hates the world after his ex wife is found dead in a cheap apartment in rural Idaho On a lone wolf crusade to find the killer he instead learns that he is the father of a strange little girl who carries secrets that only a woman like his ex wife can answer When his ex wife's killer learns about his daughter's abilities and decides to come after the young girl Chance enlists the help of the beautiful and deadly swan shifting nymph Harper Cygnini who helps to teach him the truth of his daughter's condition Chance soon realizes that he alone can't save his daughter from the sadistic killer and he finds himself in a battle between his head and his heart Will Chance gamble on a future that involves falling in love which may well cost him his life or is that one bet his is unwilling to take Sensuality Level Sensual

The Swan Stephen Moss, 2021-11-04 From the renowned naturalist Stephen Moss comes the must have gift for bird lovers this Christmas Wherever there is a stretch of water for them to find food and make their nest you will come across swans With beautiful illustrations throughout this eye opening biography reveals the hidden secrets of one of Britain's best known birds The Mute Swan is not so much a bird as a national treasure the avian equivalent of Sir David Attenborough or the Queen These huge and stately creatures are

part of our urban and rural landscapes a constant presence on lakes rivers and ponds throughout Britain Yet despite their familiarity they are often misunderstood and while many people love swans others fear them Swans also feature in myths and legends art and literature dance and music not just in Britain but all around the world Stephen Moss delves into the facts and fiction about these charismatic birds describes their seasonal life cycle and examines their central role in our history and culture He also includes stories about wild swans Whooper and Bewicks that visit us in winter and the Black Swan of Australia A superb naturalist and writer Chris Packham Moss has carved out an enviable niche as a chronicler of the natural world Daily Mail *The Wild Swans* Anne Avery,2012-01-08 The King of Avalon had sworn to marry the first woman he met who didn't talk his ears off He'd made the vow in jest but then he'd taken refuge in that cottage in the Dark Woods and found the woman of his dreams Young beautiful and silent What more could a man ask for Someone should have told him to be more careful about asking Going to Yellowstone Peter Roop,Connie Roop,2005 Designed for children ages 8 to 13 Going to Yellowstone is chock full of fascinating information about Yellowstone National Park the first national park in the U S and in the world Chapters on geology Native Americans explorers wildlife historic structures landmarks and thermal features are supplemented by excellent color photos and illustrations *LIFE* ,1947-04-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use
