Swedish An Elementary Grammar Reader

Gladys Hird

Swedish An Elementary Grammar Reader:

Swedish Gladys Hird, 1980-03-13 This grammar reader is based on almost twenty years experience of teaching beginners the Swedish language and is reassuringly practical in approach Miss Hird's aims are threefold to provide a compromise between the traditional grammar readers and the new textbooks which are not designed for beginners outside Sweden to supply grammatical information and exercises and reading texts together for ease of reference and to stimulate the student's interest in Swedish life institutions and culture The grammar part of the book is in seventeen lessons each comprising a text in Swedish which Miss Hird has specially composed to include useful vocabulary and graded grammatical points upon which exercises including translation exercises are set for practice The central theme of the texts is Stockholm and attractive drawings illustrate it To help the student there is a full vocabulary list covering all the lessons a brief summary of Swedish grammar a glossary of grammatical terms a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book In the reader part of the book the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson one of Sweden's most popular contemporary authors Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation
