Sweeping Through The City:

Uncloudy Days Bil Carpenter, 2005-08 The first true gospel music encyclopedia Uncloudy Days explores the artists who profoundly influenced early rock n roll and soul music and provided inspiration for millions of the faithful BOOK JACKET

Hell in the Streets of Husaybah David E. Kelly, 2022-02-01 First person accounts chronicling the 3 7 Marines engaging in intense street by street fighting to put down an uprising in Iraq in April 2004 During the April 2004 fights throughout Iraq most media attention was focused on the city of Fallujah However at the same time out on the border with Syria in and around the city of Husaybah fighting was equally intense This book tells the story of that period through many first person accounts of intense fighting in the town of Husaybah Iraq during It is based on interviews with Marines at all levels of the fight from battalion commander Lieutenant Colonel Matt Lopez USMC to infantrymen and squad leaders When the Lima Company commander Captain Richard Gannon Call sign Lima 6 was killed on entry to an enemy held building the company s executive officer Lieutenant Dominique Neal Lima 5 informed his Marines that he had assumed command with the radio message Lima 5 is now Lima 6 It also details the heroic actions of Corporal Jason Dunham who saved the Marines around him by covering an enemy grenade with his body Praise for Hell in the Streets of Husaybah The young riflemen do not sound like college professors and the officers occasionally seem to be weighing their words The overall effect is mesmerizing as the reader is transported onto the battlefield firefight by firefight and even granted a glimpse or two into how individual Marines felt about what was happening The Journal of America s Military Past 12 Gates to the City Cedric C. Adams, 2011-09-28

Planning the Twentieth-century American City Mary Corbin Sies, Christopher Silver, 1996 Arguing that planning in practice is far more complicated than historians usually depict the authors examine closely the everyday social political economic ideological bureaucratic and environmental contexts in which planning has occurred In so doing they redefine the nature of planning practice expanding the range of actors and actions that we understand to have shaped urban development

Handbook on Cities and Crime Dietrich Oberwittler, Rebecca Wickes, 2025-04-09 With insightful contributions from eminent scholars in the field this multidisciplinary Handbook provides an authoritative overview of scholarship on cities and crime It discusses contemporary theoretical and methodological approaches to urban crime research as well as its practical implications and psychological impacts The City of Rocks Don Travis, 2017-07-18 A BJ Vinson Mystery Confidential investigator B J Vinson thinks it s a bad joke when Del Dahlman asks him to look into the theft of a duck a duck named Quacky Quack the Second and insured for 250 000 It ceases to be funny when the young thief dies in a suspicious truck wreck The search leads BJ and his lover Paul Barton to the sprawling Lazy M Ranch in the Bootheel country of southwestern New Mexico bordering the Mexican state of Chihuahua A deadly game unfolds when BJ and Paul are trapped in a weird rock formation known as the City of Rocks an eerie array of frozen magma that is somehow at the center of the entire scheme But does the theft of Quacky involve a quarter million dollar duck racing bet between the ranch s owner and a Miami real estate

developer or someone attempting to force the sale of the Lazy M because of its proximity to an unfenced portion of the Mexican border BJ and Paul go from the City of Rocks to the neon lights of Miami and back again in pursuit of the answer death and danger tracking their every step The City at Its Limits Daniella Gandolfo,2009-08-01 In 1996 against the backdrop of Alberto Fujimori s increasingly corrupt national politics an older woman in Lima Peru part of a group of women street sweepers protesting the privatization of the city s cleaning services stripped to the waist in full view of the crowd that surrounded her Lima had just launched a campaign to revitalize its historic districts and this shockingly transgressive act was just one of a series of events that challenged the norms of order cleanliness and beauty that the renewal effort promoted The City at Its Limits employs a novel and fluid interweaving of essays and field diary entries as Daniella Gandolfo analyzes the ramifications of this act within the city s conflicted history and across its class divisions She builds on the work of Georges Bataille to explore the relation between taboo and transgression while Peruvian novelist and anthropologist Jos Mar a Arguedas s writings inspire her to reflect on her return to her native city in movingly intimate detail With its multiple perspectives personal sociological historical and theoretical The City at Its Limits is a pioneering work on the cutting edge of ethnography The Heroic City Rosemary Wakeman,2009-12-15 The Heroic City is a sparkling account of the fate of Paris s public spaces in the years following Nazi occupation and joyful liberation Countering the traditional narrative that Paris s public landscape became sterile and dehumanized in the 1940s and 50s Rosemary Wakeman instead finds that the city s streets overflowed with ritual drama and spectacle With frequent strikes and protests young people and students on parade North Africans arriving in the capital of the French empire and radio and television shows broadcast live from the streets Paris continued to be vital terrain Wakeman analyzes the public life of the city from a variety of perspectives A reemergence of traditional customs led to the return of festivals street dances and fun fairs while violent protests and political marches the housing crisis and the struggle over decolonization signaled the political realities of postwar France The work of urban planners and architects the output of filmmakers and intellectuals and the day to day experiences of residents from all walks of life come together in this vibrant portrait of a flamboyant and transformative moment in the life of the City of Light

Our Day ,1900 **Gilboa** Alexander R. Thomas,2005-06-09 On the night of October 18 1925 fire raged through the downtown area of the tiny Catskill Mountain Village of Gilboa New York Firefighters came from miles around to fight the inferno while tourists sat on the hilltops to watch the show In the end 18 buildings lay in smoldering ruins Yet this fire was not the end of Gilboa merely a climax of events that were razing the community more slowly Gilboa was in the way of the Schoharie Reservoir one of the numerous artificial lakes collecting water for thirsty New Yorkers In order for New York City to growing the people of Gilboa would be forced to move and the town would need to be burned to the ground In Gilboa Alexander Thomas traces the evolving dynamics between New York and its hinterland Starting with the role of native inhabitants their Dutch colonizers and the role of British manor law this historical investigation then explores the

construction of the original reservoir battles against a second reservoir in the 1970s and battles over environmental regulations in the 1990s Gilboa is a must read for those interested in urban and rural issues social conflict and social movements and anyone who enjoys New York state and city history
