Sweet Clarinet:

Sweet Clarinet James Riordan, 2004 Billy's life is changed forever when he is injured by a bomb. Angry and disfigured he is visited by a soldier who gives him a gift that will give him something to live for. Ella Fitzgerald J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography 1927-1939 for drummer and bandleader Chick Webb with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs including track listings, titles with lyricists and composers and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records with detailed information on each song's composer, lyricist and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings and composers, lyricists and musicians.

From the Clarinet D'Amour to the Contra Bass Albert R. Rice, 2009-03-31 Following his much acclaimed *The Baroque Clarinet* and *The Clarinet in the Classical Period* Albert R. Rice now turns his signature detailed attention to large clarinets: the clarinet d'amour, the basset horn, the alto clarinet, bass and contra bass clarinets. Each chapter is devoted to a specific instrument and offers a fascinating insider's look at its defining characteristics, a comprehensive history of its evolution, meticulously researched information on its makers and aspects of construction and a thorough discussion of its music. Rice illustrates how the introduction of large clarinets into chamber ensembles, wind bands and opera orchestras was the result of experiments meant to address specific musical needs. Along the way he brings to life the musicians, virtuosi, soloists and orchestral and band musicians as well as the instruments makers and the composers from J. C. Bach to Smetana who wrote for them. Based on careful study of primary sources, musical compositions, patents, memoirs and diaries and unfettered access to historical instruments themselves, Rice's expert presentation is nothing short of exhaustive. *From the Clarinet d'Amour to the Contrabass* will engage all who love the clarinet and its music. *The Organ* John Stainer, 1909 Notes for Clarinetists Albert R. Rice, 2017 *Notes for Clarinetists: A Guide to the Repertoire* offers historic and analytical information concerning thirty major works for solo clarinet, clarinet and piano and clarinet and orchestra. This information will enhance performance and be useful in preparing and presenting concerts and recitals. **Complete Organ Method** John Stainer, 2013-06-17 This classic method for beginners provides a brief history of the instrument, an explanation of organ construction, a discussion of the various stops and their management, a section devoted to practical study and several pieces. *Family Matters* Rohinton Mistry, 2011-02-18 Set in Bombay in the mid 1990s *Family Matters* tells a story of familial love and obligation, of personal and political corruption, of the demands of tradition and the possibilities for compassion. Nariman Vakeel, the patriarch of a small discordant family, is beset by Parkinson's and haunted by memories of his past. He lives with his two middle-aged stepchildren.

Coomy bitter and domineering and her brother Jal mild mannered and acquiescent But the burden of the illness worsens the already strained family relationships Soon their sweet tempered half sister Roxana is forced to assume sole responsibility for her bedridden father And Roxana s husband besieged by financial worries devises a scheme of deception involving his eccentric employer at a sporting goods store setting in motion a series of events that leads to the narrative s moving outcome Family Matters has all the richness the gentle humour and the narrative sweep that have earned Mistry the highest of accolades around the world *Billboard* ,1962-02-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

A Night at the Opera Sir Denis Forman,2011-10-05 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea s Adriana Lecouvreur to Mozart s Die Zauberflöte For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of Fidelio is a bit of a mess while the last scene of Don Giovanni towers above the comic finales of Figaro and Cos and whether or not it is Mozart s greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience s applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come
