Sweet Days Of Discipline:

Sweet Days of Discipline Fleur Jaeggy, 1993 The story of a fourteen year old girl living in a boarding school in postwar Switzerland

The Dictator's Dictation Robert Boyers, 2005-10-26 In these elegant essays many of them originally written for The New Republic and Harper's Robert Boyers examines the role of the political imagination in shaping the works of such important contemporary writers as W G Sebald and Philip Roth Nadine Gordimer and Mario Vargas Llosa Natalia Ginzburg and Pat Barker J M Coetzee and John Updike V S Naipaul and Anita Desai Occasionally he finds that politics actually figures very little in works that only pretend to be interested in politics Elsewhere he discovers that certain writers are not equal to the political issues they take on or that their work is fatally compromised by complacency or wishful thinking In the main though Boyers writes as a lover of great literature who wishes to understand how the best writers do justice to their own political obsessions without suggesting that everything is reducible to politics Resisting the notion that novels can be effectively translated into ideas or positions he resists as well the notion that art and politics must be held apart lest works of fiction somehow be contaminated by their association with real life or public issues The essays offer a combination of close reading argument and assessment What Boyers asks is the relationship between form and substance in a work whose formal properties are particularly striking Is it reasonable to think of a particular writer as reactionary merely because he presents an unflattering portrait of revolutionary activists or because he is less than optimistic about the future of newly independent societies What is the status of private life in works set in politically tumultuous times Can the novelist be responsible if he consistently refuses to engage the conditions that affect even the intimate lives of his characters Such questions inform these essays which strive to be true to the essential spirit of the works they discuss and to interrogate as sympathetically as possible the imagination of writers who negotiate the unstable relationships between society and the individual art and ideas

Understanding Tim Parks Gillian Fenwick, 2003 Fenwick reckons with Parks's full literary range from his novels and nonfiction books to his translations and journalism and sheds light on the work of a versatile English writer whose international recognition is steadily growing

BOOK JACKET

The Garden of the Finzi-Continis Giorgio Bassani, 2005-07-19 Giorgio Bassani's acclaimed novel of unrequited love and the plight of the Italian Jews on the brink of World War II has become a classic of modern Italian literature Made into an Academy Award winning film in 1970 The Garden of the Finzi-Continis is a richly evocative and nostalgic depiction of prewar Italy The narrator a young middle class Jew in the Italian city of Ferrara has long been fascinated from afar by the Finzi-Continis a wealthy and aristocratic Jewish family and especially by their daughter Micol But it is not until 1938 that he is invited behind the walls of their lavish estate as local Jews begin to gather there to avoid the racial laws of the Fascists and the garden of the Finzi-Continis becomes an idyllic sanctuary in an increasingly brutal world Years after the war the narrator returns in memory to his doomed relationship with the lovely Micol and to the predicament that faced all the Ferrarese Jews in this unforgettably wrenching portrait of a community about to be

destroyed by the world outside the garden walls *Last Vanities* Fleur Jaeggy,1998 A dementedly prim wife spies on her husband and is hammered to death by his paramour of the moment a seemingly kind maid who mothers a wealthy orphan sets the house on fire a retired couple are about to celebrate their 50th wedding anniversary when the husband throws himself out the window or does his wife give him a little help Set in mundane repressed middle class environments these tales pivot on terrible slips off the leash **Nightwood** Djuna Barnes,2014-01-01 The fiery and enigmatic masterpiece one of the greatest novels of the Modernist era Nightwood Djuna Barnes strange and sinuous tour de force belongs to that small class of books that somehow reflect a time or an epoch Times Literary Supplement That time is the period between the two World Wars and Barnes novel unfolds in the decadent shadows of Europe's great cities Paris Berlin and Vienna a world in which the boundaries of class religion and sexuality are bold but surprisingly porous The outsized characters who inhabit this world are some of the most memorable in all of fiction there is Guido Volkbein the Wandering Jew and son of a self proclaimed baron Robin Vote the American expatriate who marries him and then engages in a series of affairs first with Nora Flood and then with Jenny Petherbridge driving all of her lovers to distraction with her passion for wandering alone in the night and there is Dr Matthew Mighty Grain of Salt Dante O Connor a transvestite and ostensible gynecologist whose digressive speeches brim with fury keen insights and surprising allusions Barnes depiction of these characters and their relationships Nora says A man is another persona woman is yourself caught as you turn in panic on her mouth you kiss your own has made the novel a landmark of feminist and lesbian literature Most striking of all is Barnes unparalleled stylistic innovation which led T S Eliot to proclaim the book so good a novel that only sensibilities trained on poetry can wholly appreciate it Now with a new preface by Jeanette Winterson Nightwood still crackles with the same electric charge it had on its first publication in 1936 **Against the Forgetting** Hans Faverey,2004 A stunning selection of poems from the great twentieth century Dutch poet **I Didn't Do the Thing Today** Madeleine Dore,2022-01-11 How to release productivity guilt and embrace the hidden values in our daily lives Any given day brings a never ending list of things to do There's the work thing the catch up thing the laundry thing the creative thing the exercise thing the family thing the thing we don't want to do and the thing we've been putting off despite it being the most important thing Even on days when we get a lot done the thing left undone can leave us feeling guilty anxious or disappointed After five years of searching for the secret to productivity Madeleine Dore discovered there isn't one Instead we're being set up to fail I Didn't Do the Thing Today is the inspiring call to take productivity off its pedestal by dismantling our comparison to others aspirational routines and the unrealistic notions of what can be done in a day we can finally embrace the joyful messiness and unpredictability of life For anyone who has ever felt the pressure to do more be more achieve more this antidote to our doing obsession is the permission slip we all need to find our own way *S.S. Proleterka* Fleur Jaeggy,2003 Proleterka bottles at one hundred and eighty proof the insomniac resentment and cyclical nature of familial pain BOOK JACKET **The Complete Review Guide**
