Under the Grandstand Jim Lyons,2013-02-06 Those who have lived not just witnessed the efflorescence of a pivotal culture moment never see the world through veiled eyes again Jimmy Lyons was there devising wholly original inventions of words and music while the Beats the neo folk troubadours the post bop jazz shooting stars and the tie dyed psychedelic rockers were scorching through the underbrush and opening new paths of creativity as alternatives to the increasingly bottom line driven mainstream Lyons though wasn't content to find a niche in one countercultural movement or another He kept moving observing and writing new poems stories and songs But he never gave up on the wry sophistication of the classic American popular song Indeed he has dedicated himself to infusing the same hallowed forms perfected by Irving Berlin George and Ira Gershwin Cole Porter Harold Arlen and others with his singular fantasias of ingeniously colored and textured wordplay These plays have a subtext only Lyons can provide derived from what he calls the rituals of the road and the the circular rhythms of the race track the beats and pulses of everyday American life that rarely raise a ripple on the surface of American culture Lyons hears the screams and dreams of his countrymen and woman from them he creates new modes of expression He has been changed by each of his open hearted an open eared encounters and this body of work is his way of making those changes sing and swing

Through Phantom Eyes Theodora Bruns,2012-11-05 This is the pivotal volume In it Erik faces challenges both new and frightening when he encounters Christine the woman fate has directed to his lonely heart Just as a river changes the landscape of a country Christine changes the course of Eriks life The year is 1881 and the lonely man Erik enters a period in his life when his full passion finds its true home in the form of the young chorus girl Christine Once he meets her his obsession for her is fueled by his past years of distressing solitude and she becomes the woman he loves and the woman he must have as his own His deformity is the first obstacle in the way of winning her love but her childhood sweetheart Raoul is the bigger obstacle and the biggest challenge He meets these challenges while he also keeps his managers doing his will which is to make Christines career a success Erik works patiently to gain the trust and love of Christine while at the same time he meets the challenge presented by Raouls youth and handsome appearance Violent encounters are inevitable in any love triangle but considering Eriks past life and deformed emotions the

encounters become death dealing *Mr. Perfect* Anne Lange,2022-10-25 Todd I know from the moment I lay eyes on her that she is the one I never believed the stories my father and grandfather told me about love at first sight being the catalyst for the relationships in our family but damn if they weren't onto something I only have two minor problems She's younger than me and works for me But I refuse to let that stop me from making her mine Felice Mr Perfect That's what I call my new boss My mother would have a heart attack if she knew the dirty fantasies about an older man that fill my nights and my days But the guy is seriously sexy He's also a pain in my ass because he keeps asking me to stay late at work Given the intense heat I see in his eyes when he watches me I think he likes me too But I can't say whether it's the age difference or the working relationship that keeps me from begging him to make my dreams come true The billionaire's fiancée Marie Levers, Business I hate that stupid word with a passion I hate everything about it Every time I see that awful word I turn the other way How it made my family not to be a real family How it made my brother busy with training How it made my father always leave for trips How it made me a human pincushion for my mother's fashion How it brought me a marriage I didn't ask for Business Bianca Harrison has had a wild twenty four years Her brother Blake was always there for her He would scare away boys who would come to take her on dates He'd make sure she did her school homework He did everything she expected from her father Her nanny Janet from when she was a kid was always there for her She was her shoulder to cry on She'd make sure her room was clean and she had a good meal She did everything Bianca expected from her mother Bianca's boyfriend of four years just broke up with her Bianca was heart broken She went to her parents who were home for once and regretted it instantly Her father said he had something in mind but Bianca had no clue it would be this extreme Having to marry her father's business partner Leon Bailey The bachelor of New York The man every girl swoons over A thirty year old Greek God Boy was she not excited *Munsey's Weekly*,1926 The Little Corporal Alfred L.
