The Harp of the Gael Anne Turner,2004-10-01 In 1812 with Ireland oppressed by British rule and cruel taxes six year old Thomas Marshall and his family leave their little farm in County Armagh to sail for the new land of America What they did not leave behind were the two ties to Thomas s destiny his father s harp and his own small book of Psalms with the tiny harp and willow on the cover That destiny was challenged often by orphanhood adversity side trips including the army and the Gold Rush and Thomas s own doubts Certain divine appointments pointed the way like signposts the Methodist preacher in Bloomington Illinois who saw his gift the little Welshman who was Jonathan to his David and the feisty Italian tenor whose singing was pure revelation to Thomas s soul His longing to return at last to his green homeland is dashed but two surprises wait and he must choose despair or fulfillment
