Funeral and Memorial Service Readings,

Poems and Tributes Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates; friends, siblings, and other close relatives; soldiers and victims of war or violence; pets; and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.
