ACCESSING THE HIDDEN POWERS OF HEAVEN ISAIAH MACWEALTH, The concept of holiness is one that I have longed to write about for a while now because the Spirit of God has put this burden in my heart The level of misunderstanding about holiness is gross and universal thus I believe the Lord wants to use this book to teach and move the church into greater realms of fellowship with Him and greater levels of power What many teachers teach and what many believe about holiness is not holiness The word is often interchanged with words like righteousness consecration and sanctification but they are not all the same Holiness is not just a character or attribute neither is it a virtue or a set of rules It is so much more It is the nature and power of God Understanding holiness is therefore paramount because it is the key to accessing the unlimited power of God and the glory realm I believe that one of the reasons many believers are not functioning in the power of God in these last days is because they either do not understand or misunderstand holiness and how to access power by partaking in the holiness of God If you would function with God and experience face to face encounters with Him this book is for you I will be giving you a totally new revelation on Holiness just as the Lord taught me so I want you to read and meditate deeply on this book These are the days of His mighty power signs and wonders and those who have this revelation can partake of His holiness *The Glory of the Cross* Mahesh Chavda, Bonnie Chavda, 2021-02-16 Walk in the victory that defined the lives of the apostles and the early church it's still possible today Spiritually the single most powerful moment in history is the death and resurrection of Jesus Christ Often that which is the cornerstone and centerpiece of the Christian faith has been reduced to something many The Hidden Power Luiz Santos, 2024-10-31 The Hidden Power Metatron and the Secret Path Within the pages of this book a latent power awakens guided by the enigmatic presence of Metatron a guardian of hidden truths The journey is silent profound and revealing with each teaching drawing the reader toward an ancient path reserved for those seeking something beyond the visible The mysteries of chakras and vital energy are unveiled here not as mere concepts but as portals leading to the essence of the soul itself Through practices

of alignment and purification the reader is gently led to a space of inner peace and elevated awareness where each chakra becomes a link with the universe Through meditations and visualizations that transcend time this book calls to those ready to explore the hidden potential of their own energy and attune to the subtle vibrations of existence Spiritual protection and positive manifestation techniques emerge as tools for a life in harmony with the whole where each thought and intention resonates within the universal web The Hidden Power offers an invitation not just to read but to experience to find within the quiet of its pages a wisdom that reminds us that the divine pulses in every breath and that true power lies in becoming a pure channel of harmony and light

Faith Healing Ministry Gwendolyn Washington, 2020-08-25 Faith Healing Ministry A Christian Education Model for Clergy and Laity The purpose of this book is to begin an intentional effort to retrieve the ministry of faith healing using a Christian education model to educate train clergy and laity Healing as a spiritual gift for the body of Christ is a much neglected gift due to variables that may be altered to benefit multitudes In my research and study I have discovered it is the lack of knowledge in understanding the gift of healing and how to operate it that caused so many to be indifferent about it Jesus came so that our souls may be saved and to heal our bodies A scriptural reference is Isaiah 53:5 But He was wounded for our transgressions He was bruised for our iniquities the chastisement of our peace was upon him and by His stripes we are healed This sums up the purpose for Jesus coming to earth to make it possible for each person who would believe to have eternal life and be sound in body and mind This book reveals some pitfalls or controversial teachings regarding why so many from various denominations believe that the gifts ceased during the first century Being in the health profession for thirty eight years I have seen various diseases many struggle with and medical technology has no cure for With health care benefits changing and there is a possibility many may lose their coverage it is imperative that we go back to God's original plan divine healing Not to discount the physicians scientist and medical technology but it is important for us to know that we have God's plan for healing My desire is to get the message out to the masses especially to churches to establish healing centers that divine healing is a benefit of

the Kingdom of God **Storm Warrior** Mahesh Chavda, Bonnie Chavda, 2008-02 In Storm Warrior the Chavdas equip believers with biblical teaching on binding and loosing to do battle with the enemies of God and claim victory **Releasing Spiritual Gifts Today** James W Goll, 2016-01-18 God wants you to experience the great wonder of moving in and through His grace on a daily basis That s why this book isn t just about how to discover your spiritual gifts or even how to receive them it s about how to release them Give them away The Spirit is demonstrating God s supernatural power through His church today as realms of His glory are released on a global basis All of God s gifts are still fully operational and every single believer is designed to flow in the river of God fulfilling his or her destiny In Releasing Spiritual Gifts Today you ll learn the way the Holy Spirit moves and how He operates through spiritual gifts Then you ll explore the nine most widely recognized gifts These are not the only gifts God gives His children but they are vital to understand and then activate according to His leading for the fulfillment of the Great Commission This book is filled with examples of how spiritual gifts have been used in action both within the pages of the Bible and in contemporary times God desires to pour out His gifts on His people today in even greater degrees of impact and authority Discover what the Lord wants to do for you and through you by releasing spiritual gifts in a mighty outpouring of His love grace and power *TAKING SOULWINNING SERIOUSLY* ISAIAH MACWEALTH, There are certain believers today who are of the opinion that living right and doing good works are all it takes to reach the world and turn people to Christ Is this really true Some others also criticize the approach of those who actively evangelize share tracts and preach the Gospel with every opportunity as being too confrontational Are they correct As important as living right and doing the right thing are there are still many people who would not be saved until they hear and understand the Gospel How then shall they call on him in whom they have not believed and how shall they believe in him of whom they have not heard and how shall they hear without a preacher Romans 10 14 And this is why the Lord Jesus specifically instructs us to Go and Preach the Gospel And he said unto them Go ye into all the world and preach the gospel to every creature Mark 16 15 This does not suggest any form of passiveness or indifference but literally going out there to relate the message of the Gospel to the lost This requires some deliberate efforts In this book you would learn practical steps and wisdom from scriptures on how to be proactive in reaching out to the lost and winning souls to Christ through teaching preaching and testifying SETTING OUT AS A SOUL WINNER ISAIAH MACWEALTH, The desire to see souls saved is not enough to get souls saved Every true witness must first seek to have a revelation of the mandate given us by the Lord Jesus Christ when He commissioned us for soul winning And Jesus came and spake unto them saying All power is given unto me in heaven and in earth Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost Teaching them to observe all things whatsoever I have commanded you and lo I am with you alway even unto the end of the world Amen Matthew 28 18 20 As seen in the scripture above the Lord Jesus commissioned us to witness after He has received all power in heaven and on earth This shows that we have not been sent empty handed Rather we have been sent

with all power in heaven and or earth Glory to God Thus every true witness ought to set out and go about soul winning with the understanding and confidence that he has the backing of the Lord Jesus Christ and that the resources of Heaven are at his disposal In this book I would be bringing to you the revelation of the power and authority of heaven backing you as you witness I would also be helping you to see how to consciously draw on the limitless resources of heaven in your quest to preach the Gospel of Jesus Christ and turn many unto righteousness It is time to kit up set out with all confidence and return with fruits that would abound in God s Kingdom Get ready for a new level of fruitfulness in soul winning Come along with me

REACHING YOUR WORLD WITH CHRIST ISALIAH MACWEALTH, Witnessing is the essence and purpose of the church The concept should hence be understood in its entirety Jesus gave the church this all important calling at His ascension because it is the heartbeat of the Father Sadly most people and churches have not fully understood it making the church ineffective in its fulfillment Witnessing is a lot more than preaching from street to street morning cries or even mega crusades Though these are very important in witnessing they are perhaps just a minute part of the process This book aims to enunciate the concept of witnessing as a process that requires the right consciousness attitude and sacrifice and the role of the church individuals and groups in effective witnessing Our Master Jesus Christ is coming back very soon Consequently we need to employ all necessary techniques and tactics to witness to this world for Him As you read this book I pray that God will birth in you a strong passion for souls and grant you understanding into this ultimate assignment of witnessing in Jesus Name Amen

THE CORONAVIRUS EFFECT ISALIAH MACWEALTH, The never seen coronavirus pandemic has brought every nation to its knees and seeks to further cause fear panic and great losses Many claim the virus was from an experiment others say it was planned by China while even propaganda in China says it is from the US Could this pandemic be a harbinger of worst things to come Could it be signaling the new era of chaos When will it end and can the world recover from its effect In September of 2019 I had a vision and in that vision I saw a pale horse and a rider The rider was pink in body and apparel the horse was also light pink in colour Then I heard The pale horse has been released which is the spirit of death and hell with a mission to bring mass death on the earth so that many may die before they come to the knowledge of Jesus Christ and thereby end up in hell I will elaborate more on this in the first chapter of this book Before this time based on my theology the four horses spoken about in Revelations chapter 6 are to ride after the rapture
