The New Cambridge Medieval History: Volume 7, C.1415-c.1500 Rosamond McKitterick,1995 This volume covers the last century interpreted broadly of the traditional western Middle Ages Often seen as a time of doubt decline and division the period is shown here as a period of considerable innovation and development much of which resulted from a conscious attempt by contemporaries to meet the growing demands of society and to find practical solutions to the social religious and political problems which beset it The volume consists of four sections Part I focuses on both the ideas and other

considerations which guided men as they sought good government and on the practical development of representation Part II deals with aspects of social and economic development at a time of change and expansion Part III discusses the importance of the life of the spirit religion education and the arts Moving from the general to the particular Part IV concerns itself with the history of the countries of Europe emphasis being placed on the growth of the nation states of the early modern world

Literature on Trial S. D. Chrostowska, 2012-07-09 Literature on Trial traces the rise of modern literary criticism in Central and Eastern Europe during the eighteenth century S D Chrostowska juxtaposes the discourse s written forms in three linguistic cultural regions Germany Poland and Russia to show how fluid the relationship once was between the genres of criticism and those of literature An alternative history of literary criticism Literature on Trial marks a shift from earlier studies focus on aesthetic principles to an emphasis on the development of literary critical forms Chrostowska relates cultural and institutional changes in these areas to the formation of literary critical knowledge She accounts for the ways in which critical discourse organized itself formally and deemed some genres proper while eliminating others Analysing works by Lessing Goethe and Karamzin among others Literature on Trial brings a fresh theoretical perspective to the links between genre as a discursive strategy and socio political life

Joseph Brodsky and the Baroque David MacFadyen, 1999-01-13 MacFadyen shows that the works of John Donne the existential philosophy of Kierkegaard and Sestov and the cities of St Petersburg and Venice inspired in Brodsky a fundamentally Baroque evolution He provides a compelling and comprehensive examination of Brodsky s poetry and prose in a fascinating overview of some problems of post soviet aesthetics The book concludes with a reassessment of Brodsky s final role that of cross cultural bilingual essayist Joseph Brodsky and the Baroque will appeal to students and scholars of Russian literature as well as the growing body of Brodsky s admirers
