

My dearest love,

You are my sister i can tell anything to. You are my mother that protects me, and my child who i will protect with all my heart. You are my best friend i love spending time with, and my lover that brings me joy. You are the book i never want to put down, the video game i'm addicted to, and the movie i watch over and over again. You are the song i put on repeat, even though i already know all the words. You bring meaning to my life, because you are my life. I can only hope that one day the fates will allow us to be together again, weather it's in this life or the next, Heaven, Hell, or somewhere in between.

I love you.
