

"THE MILLS OF THE GODS"

A modern drama that palpitates with fun and power. The most vigorous acting by the greatest artists who have ever induced a reproduction of life on the stage or on the screen. It portrays the two extremes of humanity. Lawrence, the polished villain, who persecutes all who stand in his way. Scenes of riot, the destruction of homes, the burning of buildings, and even the taking of life, he incites to accomplish his purpose. He is at last caught in his own trap, between the upper and nether stones of retribution and justice. The Mills of the Gods grind slowly but they grind exceeding small.
