The Ministry of Shepherding Eugene L. Stowe, 1976-01 Ethnography as a Pastoral Practice Mary Clark Moschella, 2023-02-28 Ethnography is a way to tap the deep undercurrents in a community through a process of gathering analyzing and sharing data Fully revised and updated for this second edition Ethnography as a Pastoral Practice has quickly become the go to textbook for those in or training for ministry who want to discover how they can use ethnography to help them hear the stories of those to whom they minister Setting forth the case for ethnography's ability to galvanize aspirations and heal communal hurt this book presents the helpful pastoral practice of ethnography in a clear step by step manner and includes many compelling case studies of transformational leadership Ethnography as a Pastoral Practice invites us to open our eyes ears and hearts to those in our congregations *Gentle Shepherding* Joseph Earl Bush, 2012-11 Named One of the Top Ten Books for Parish Clergy for the year 2006 by the Academy of Parish Clergy Gentle Shepherding offers a rare balance in an introduction to pastoral ethics one that identifies deeply with the pastoral vocation and brings it into conversation with a developed body of ethical theory The goal of the book is to equip seminarians and pastors with conceptual resources for clarifying moral responsibility in the practice of ministry This responsibility includes three levels the minister as a moral agent in offering care the minister as a moral enabler in encouraging virtue in others and the minister as a moral leader in facilitating congregational life and witness in society Helping ministers and seminarians to think anew about their responsibilities and the moral quandaries in pastoral practice Gentle Shepherding integrates theory with practice providing case material for further reflection and discussion and at least one case study or exercise associated with each chapter

The Ministry of the Shepherd and the Church in Africa , 2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self serving leadership styles Focusing especially on the example of pastoral ministry in Africa author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servants not as self serving masters so that they can lead guide and teach their congregations as Christ would Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks By modeling their lives and leadership on the ideals of Jesus church leaders including priests religious lecturers seminarians and even lay Christian parents alike can become true servants and shepherds honoring the example of
