## Six Trials Of Jesus:

**The Six Trials of Jesus** John W. Lawrence, 1996-01-01 Each of the six trials of Jesus is explored for both their historical meaning and spiritual application

**Behold... the Man!** Charles R. Swindoll, 2004-04-05 The truthful Man falsely accused The innocent Man illegally tried and wrongly convicted The gentle Man who suffered punishment few could imagine much less endure The murdered Man who forgave His own merciless killers The divine Man who died as a common criminal The willing Man who gave His life for others The ordinary Man who was in fact the extraordinary Son of God The pathway Jesus took to the cross of Calvary is commonly called the Passion This sorrowful path weaved through soul wrenching prayers and illicit deals made in shadowy darkness It descended into corrupted courts bereft of justice and circled by prejudiced rulers stripped of power On this pathway of His passion Jesus paused for a torturous scourging and plodded on doggedly to a horrific death on a hillside called the Skull But why In this incredible historically accurate account you will come face to face with Jesus the Man of Sorrows If you're honest you'll find the amazing answer to why and you'll change When you stop long enough to look to think to imagine and to truly Behold the Man you'll never be the same again Chuck Swindoll leads us through a detailed examination of the events surrounding Jesus as he follows the winding pathway of his passion to the cross This story based investigation of the last week of Jesus's life from the Last Supper to his death focuses on Why And in his Epilogue to this powerful insightful book Swindoll clearly explains to the unchurched and non Christian reader why Jesus was willing to walk this sacrificial path to die he did it for them Releasing simultaneously with Mel Gibson's stirring movie The Passion of The Christ Swindoll's book provides Christians an excellent evangelistic follow up tool to give to their unchurched or non Christian friends and families who see the film As Chuck said after a private viewing of the movie You'll never be the same again And Behold the Man will help ensure that fact

**The Darkness and the Dawn** Charles R. Swindoll, 2006-01-29 Why did it please God that His Son was brutalized Why does a loving God allow us to hurt so deeply What made Jesus' death any different from thousands who died just as He did Darkness covered the earth that day The sun fled From noon until three the darkness of death hovered over the hill where the Son of God was dying As Christians we know the story well the nails in His hands the thorns on His head the gambling soldiers the taunting thieves Charles Swindoll invites us to return with me to those epochal days when our Lord walked into the awful darkness which He did not deserve only to arise into the sunlit dawn of triumph providing us a victory from which we shall never know defeat Go with him and you will find that as only he can Dr Swindoll uncovers new meaning in the Cross and the Resurrection for those who face death and darkness today His fresh perspectives on these core events of faith can help you see beyond the darkness to the new light of dawn

**Life of Christ - Teacher's Manual PDF** Dr. Brian J. Bailey, 2020-01-10 Inspired by a series of visions given by the Holy Spirit Dr Bailey examines the pre existence birth and early years ministry crucifixion and resurrection of Christ as seen in the four gospels Throughout this work runs the sense of

awesome love of the Father in Heaven for His only Son who took upon Himself the form of a man fully obeying the will of His Father even unto the death of the cross You will be encouraged as you see the fervency with which Christ lived so that we might have abundant life by living according to the pattern He set before us in His own life upon this earth     **Insights on Luke** Charles R. donate fifty percent 50% of all book sales to Covenant House a charity dedicated to joining the fight to end youth homelessness      The Case against Christ George G. R. Dekle Sr.,2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus      The Modern Student's Life of Christ Philip Vollmer,1912      **Jesus, the One and Only** Beth Moore,2013-03 Bestselling author Moore s thoughtful study of Jesus based on the book of Luke gives readers a fresh and in depth look and God s one and only son      **The Trial of Christ from Legal and Scriptural Viewpoint** David K. Breed,2020-09-28      Growing Deep in the Christian Life Charles R. Swindoll,1995-03-21 Takes theology out of the ivory tower and enables you to apply it to where you live every day Back cover

Trial of Christ David K. Breed,2013-07-01 The great fact and the Eternal Fact in the life of Jesus was his death because of our sins upon the Cross This was the fact which St Paul declared he preached to the Corinthians first of all not that they were the first to hear it not that it merely came first in the enumeration of the great truths of the Gospel but that it was first in importance the Eternal Fact of Redemption The steps therefore by which Jesus was brought to the Cross are of great interest to Christian lawyers Here is a careful study from a lawyer s standpoint of the trial of Jesus      **No Cost Jesus?** H. Wallace Webster,2021-07-12 Many people think that while living our daily lives can be difficult even challenging following Jesus is actually pretty easy All we need to do is say yes to Jesus and our lives can go on without interruption But is it really that easy to follow Is he a Jesus without cost or requirement At some point we all need to ask ourselves Who is this Lord that I m serving Our culture encourages us to think of Jesus as a good friend who will not put any demands on our time or our lives But the real Jesus the God of the Bible comes with a cost He demands our time He demands our thoughts He demands our lives He demands our all It s only when we are willing to pay that cost that we get to know our Savior as he really is and we

realize that he s worth so much more     The Revelation of Jesus Christ David Crenshaw,2020-08-10 While many theological commentaries have been written on the book of Revelation this one has been written as an easy to understand commentary for those without a seminary education It is not an in depth theological treatise for the use of trained pastors The author is a pastor who has spent more than twenty five years studying and teaching the book of the Revelation in various conservative churches It is unique in that it addresses the issues of the book of Revelation from what is known as the realized millennial or what Dr Jay E Adams described as the orthodox preterist position This position affirms that the events of Revelation are past preterist with the exception of the events in the last two chapters The main attraction to most readers will be the fact it does not use footnotes or endnotes and is therefore much easier to read and understand It will also be attractive because it biblically addresses the erroneous view present in much of the modern church that the events of the Revelation are still future to our time Additionally the book establishes how the events described in the Revelation are related to Old Testament practices and prophecies and it demonstrates the faithfulness of God in keeping His promises to His people     **The Church Review and Ecclesiastical Register** ,1889 Includes a section called Ecclesiastical register     Church Review and Ecclesiastical Register ,1889     **NKJV Study Bible, Full-Color** Thomas Nelson,2018-11-20 With more than 2 million copies sold it s no secret that the NKJV Study Bible is a reliable guide for your journey into God s Word This beautiful full color Bible provides a complete resource for study including thousands of notes articles extensive cross references and features contributed by top evangelical scholars These multilayered study tools combined with the accuracy and clarity of the New King James Version make this Bible a perfect choice to help you understand and deeply engage with Scripture Features include Over 15 000 verse by verse study notes Bible times and culture notes Word studies with Strong s numbers Extensive cross reference system In text maps and charts Book introductions outlines and timelines Full length articles a concordance and color maps Clear and readable Thomas Nelson NKJV Comfort Print     **The Bible Knowledge Commentary Gospels** John F. Walvoord,Roy B. Zuck,2018-03-01 Walk with Those Who Walked with Jesus In the Gospels we witness the most crucial turning point in world history and the reason we believe what we do The New Testament begins with four accounts of the good news of the Son of God Drawing on the research of Dallas Theological Seminary scholars The Bible Knowledge Commentary Gospels explores similarities and differences among Matthew Mark Luke and John The authors also look at difficult or confusing passages apologetic evidence for these eyewitness accounts and what we can learn about Christ like living from observing the life of Jesus With dozens of visuals and Old Testament cross references this commentary is one of the most thorough and theologically sound studies of the Gospels Journey with Jesus as if for the first time in this detailed look at His life on earth     **Bible Knowledge Commentary** ,1983 Cuneiform records made some three thousand years ago are the basis for this essay on the ideas of death and the afterlife and the story of the flood which were current among the ancient peoples of the Tigris Euphrates Valley Following up on his previous volume The Babylonian Genesis the author

interprets the famous Gilgamesh epic and other related Babylonian and Assyrian documents He compares them with corresponding portions of the Old Testament in order to determine the inherent historical relationship of Hebrew and Mesopotamian ideas
