Skating With Heather Grace:

Skating with Heather Grace Thomas Lynch, 1986 *The Undertaking* Thomas Lynch, 2010-03-01 A National Book Award Finalist One of the most life affirming books I have read in a long time brims with humanity irreverence and invigorating candor Tom Vanderbilt Every year I bury a couple hundred of my townspeople So opens this singular and wise testimony Like all poets inspired by death Thomas Lynch is unlike others also hired to bury the dead or to cremate them and to tend to their families in a small Michigan town where he serves as the funeral director In the conduct of these duties he has kept his eyes open his ear tuned to the indispensable vernaculars of love and grief In these twelve pieces his is the voice of both witness and functionary Here Lynch poet to the dying names the hurts and whispers the condolences and shapes the questions posed by this familiar mystery So here is homage to parents who have died and to children who shouldn't have Here are golfers tripping over grave markers gourmands and hypochondriacs lovers and suicides These are the lessons for life our mortality teaches us **Apparition & Late Fictions** Thomas Lynch, 2025-04-25 Lynch has added another chapter to one of the most memorable records in American letters William Giraldi New York Times Book Review These stories are linked by the gone and not forgotten former spouses dead parents missing children Lynch creates a world in which people searching for connection and old comforts find them both near at hand and oddly out of reach **Booking Passage** Thomas Lynch, 2012-02-13 A good read even for those who have not the least ancestral or national bias for those who desire civilized entertainment along with brilliant narrative Seattle Times In thirty five years and dozens of return trips to Ireland Thomas Lynch has found a template for the larger world inside the small one the planet in the local parish Part memoir part cultural study Booking Passage is a brilliant often comedic guidebook for those fellow travelers fellow pilgrims making their way through the complexities of their own lives and times **Whence and Whither** Thomas Lynch, 2019-03-12 From one of our most gifted writers and thinkers about death and the meaning of living comes a collection of writings about what comes next Thomas Lynch funeral director poet and author of the National Book Award finalist *The Undertaking* Life Studies from the Dismal Trade has an uncanny knack for writing about death in ways that are never morbid always thoughtful often humorous and quite moving From his account of riding in the hearse at the funeral of poet laureate Seamus Heaney to his recounting of the funeral for a young child in the 1800s to his compelling essay about his own mortality Lynch always finds ways to make sense of senseless things as he ponders what will come next *Programs* University of Michigan. School of Music, Theatre & Dance, 2007 *Mare's Nest* Holly Mitchell, 2023-05-02 The debut poetry collection from Holly Mitchell Mare's Nest explores a Kentucky horse farm in its turbulent beginnings The title refers to the idiom a complex and difficult situation a muddle and an illusory discovery as well as an image the depression a horse leaves after lying in the grass These poems trouble the meaning of a racehorse and in particular the broodmare and the foals she carries Reaching from the photographic experiment of Muybridge's *Horse in Motion* to Patti Smith's album *Horses* Holly Mitchell touches upon history

dreams Southern family stories and queer adolescence in the early aughts

From the Sin-é Café to the Black Hills Eamonn Wall, 1999 Eamonn Wall arrived in the United States in the 1980s as part of a wave of young educated immigrants who became known as the New Irish In this book he comments on his own experiences and those of his generation who identify as much with contemporary ethnic and immigrant America as they do with the long settled Irish American community Wall's starting point is the now closed Sin Caf in New York's East Village which was a hangout in the early 1990s for expatriate Irish musicians actors and writers He comments on the poetry fiction essays and memoirs of both the New Irish and Americans of Irish heritage locating them within a literary and historical context But this is also a deeply personal book in which Wall wrestles with his own identity as an Irishman living in America raising his children as Americans and learning to love the American landscape from the streets of Manhattan to the western hills of Nebraska

Still Life In Milford Thomas Lynch, 2011-06-30 In Still Life in Milford Lynch casts the cold eye we are told to on life and death history and memory the local and the larger geographics Examining the dynamics of faith remembrance and intimate conduct these poems are informed by end times tribulations and visions that make up the ordinary enterprise of daily life Colloquy and narrative soliloquy and tribute Still Life in Milford engages the full register of the poet's voices as elegist eulogist obituarist straight man and passer by to achieve a difficult and inimitable harmony

The Good Funeral Thomas G. Long, Thomas Lynch, 2013-08-23 Two of the most authoritative voices on the funeral industry come together here in one volume to discuss the current state of the funeral Through their different lenses one as a preacher and one as a funeral director Thomas G Long and Thomas Lynch alternately discuss several challenges facing the good funeral including the commercial aspects that have led many to be suspicious of funeral directors the sometimes tense relationship between pastors and funeral directors the tendency of modern funerals to exclude the body from the service and the rapid growth in cremation The book features forewords from Patrick Lynch President of the National Funeral Directors Association and Barbara Brown Taylor highly praised author and preacher It is an essential resource for funeral directors morticians and pastors and anyone else interested in current funeral practices

The Sin-eater Thomas, 2011-09-01 Argyle eased the warm loaf right and left and downed swift gulps of beer and venial sin then lit into the bread now leavened with the corpses's cardinal mischiefs then he said Six pence I'm sorry and the widow paid him So opens the unsanctioned priesthood of The Sin Eater A Breviary Thomas Lynch's collection of two dozen twenty four line poems a book of hours in the odd life and times of Argyle the sin eater Celtic and druidic scapegoat and outlier a fixture in the funerary landscape of former centuries Argyle's doubt ridden witness seems entirely relevant to our difficult times By turns worshipful and irreverent good humored and grim these poems examine the deeper meanings of Eucharist and grace forgiveness and faith atonement and reconciliation

Heilman, 2018-02-06 An encounter with the death of another is often an occasion when the bereaved need to be sustained in their loss relieved of the anxiety that the meeting with death engenders and comforted in their grief It is a time when those left behind often seek to redress wrongs in themselves or in the relationships that death has shaken and upset In both collective and individual responses to the trauma of encountering death we witness efforts to counter the misfortune and to explain the meaning of the loss to turn memory into blessing to reconcile life with death to regenerate life and redeem both the bereaved and the dead Sometimes loss may transform the bereaved in ways that lead to growth and maturity other times a loss leads to unremitting anger or melancholia There may be a variety of spiritual expressions that the bereaved experience in their time of loss but there appears to be some common elements in all of them Overtime survivors feelings are transformed into growing exploration of the spiritual a profound sense of rebirth newfound feelings of self mastery or confidence and a deeply held conviction that life goes on The contributions to this volume are based on a conference held in New York on the first anniversary of September 11 2001 Contributors include Peter Metcalf Robert Jay Lifton Ilana Harlow Robert A Neimeyer Samuel Heilman and Neil Gillman This sensitive and heartfelt volume relates specifically to issues of death bereavement and mourning in the aftermath of the attack on the World Trade Center but the applications to other individual and catastrophic events is obvious The contributions do not simply explore how people deal with bereavement or are psychologically affected by extreme grief they address how people can try to find meaning in tragedy and loss and strive to help restore order in the wake of chaos The multidisciplinary perspectives include those of anthropology psychology theology social work and art **Skater's Edge**
