The Halfeaten Angel:

Half Eaten Angel Alvaro Cardona-Hine, 1981 *The Song Less/on* Alvaro Cardona-Hine, 2013-01-01 Some of the best ever written Tom McGrath in The National Guardian reviewing the haiku in The Gathering Wave Cardona Hine is far more tuned to silence than Eliot there are no phases to his theology He offers no disciplines nor even Zen vacancies he offers arrivals This gentle poet has little to do with the hysterical attenuated surrealism which has in recent years dominated the better little magazines Or with archetypes of the Great Mother or other theorizing It is understandable that poets want to move out into the universe to dream of being moles to sink into mineral veins to make wild dissociated images that dissolve the self But Cardona Hine preserves the sense of human self hood human wonder adventure Benjamin Saltzman in Kayak reviewing Words On Paper *The Angels Die* Yasmina Khadra, 2025-01-07 However successful you may become you will always be just the little Arab from the souk Even as a child living hand to mouth in a ghetto Turambo dreamt of a better future So when his family find a decent home in the city of Oran anything seems possible But colonial Algeria is no place to be ambitious for those of Arab Berber ethnicity Through a succession of menial jobs the constants for Turambo are his rage at the injustice surrounding him and a reliable left hook This last opens the door to a boxing apprenticeship which will ultimately offer Turambo a choice to take his chance at sporting greatness or choose a simpler life beside the woman he loves Award winning author Yasmina Khadra gives us a stunning panorama of life in Algeria between the two world wars in this dramatic story of one man s rise from abject poverty to a life of wealth and adulation *The Black Angels* Maria Smilios, 2023-09-19 Winner of the Christopher Award 2024 NPR Science Friday Best Summer Beach Reads 2024 Gotham Book Finalist 2024 NASW Science in Society Journalism Award Finalist 2024 PEN Hessel Tiltman Prize Finalist 2024 An incredible story the writing is phenomenal John Green author of Everything Is Tuberculosis New York City 1929 A sanatorium a deadly disease and a dire nursing shortage In the pre antibiotic days when tuber culosis stirred people s darkest fears killing one in seven white nurses at Sea View New York s largest municipal hospital began quitting en masse Desperate to avert a public health crisis city officials summoned Black southern nurses luring them with promises of good pay a career and an escape from the stric tures of Jim Crow But after arriving they found themselves on an isolated hilltop in the remote borough of Staten Island yet again confronting racism and consigned to a woefully understaffed sanatorium dubbed the pest house where it was said that no one left alive Spanning the Great Depression and moving through World War II and beyond this remarkable true story follows the intrepid young women known by their patients as the Black Angels For twenty years they risked their lives work ing under appalling conditions while caring for New York s poorest residents who languished in wards waiting to die or became guinea pigs for experimental surgeries and often deadly drugs But despite their major role in desegregating the New York City hospital system and their vital work in helping to find the cure for tuberculo sis at Sea View these nurses were completely erased from history The Black Angels recovers the voices of these

extraordinary women and puts them at the center of this riveting story celebrating their legacy and spirit of survival

On First Name Terms With Angels Ross Friday, 2007-02-08 On any other night and at any other time it wouldn't have seemed possible If it wasn't for the cameras silently rolling in just the right place at just the right time capturing the devastating and unprecedented scene nobody would have believed it could happen in such a previously uneventful stretch of road even those who were there would have doubted what they saw It's Christmas Eve in the city The streets are alive with crowds excitedly bustling below the thousands of fairy lights and panicking about tomorrow like they didn't know it was coming whilst others are literally wishing it wouldn't These total strangers have just one thing in common that what had been the loneliest night of the year had now become the loneliest night of their lives Alone and afraid they sink deeper into their own private chasms until there appears to be only one way out But when their very different worlds collide mere coincidences mount until even the most cynical amongst them can only interpret the escalating events as fate and it's undeniable that miracles can exist everything happens for a reason and whatever life's worth it's at least worth living An inventive poignant witty and highly original masterpiece that refuses to be confined by the restraints of any conventional genre at times as macabre as it is heartbreaking but ultimately so life affirming it could actually alter the way you look at the world I defy anyone to remain emotionally unaffected Neil Sean The Metro Sky News For more information please visit www.rossfriday.com

David R. Branon,2015-07-14 Today s inflammatory headlines come to satiric life in this convoluted tale of self serving hustlers as Detective Lawrence Striker and FBI Special Agent Cassandra Cassidy put their heads and other things together to weave their way through the violent eruptions of racial animosities and the rabble rousing buzzards who feast on those divisions There are crimes to solve but as the story evolves the layers of the fetid onion are peeled away to expose the maggots of deception and double dealing In an early morning shootout on the mean streets of River City two African American teenagers are gunned down by the cops and that heralds the emergence of the devious and race baiting Reverend Abraham Castille to media driven national prominence as he with incendiary rhetoric escalates civil protest into open warfare

As flames threaten to consume the city a kindly old lady who was witness to the shootout is murdered the city's police commissioner is assassinated and the rioting spins inexorably out of control and spreads with lethal effect to other parts of the country Striker and Cassidy are sucked into a cesspool of evil doings that include a drug trafficking network that reaches from River City all the way to Russian mobsters in Chicago In this miasma of duplicity everyone is sworn to different agendas and Striker's resolve is put to yet another cruel and life changing test With a comedic and jaundiced eye Branon depicts how today's warped self righteousness and avaricious self aggrandizement have squandered the nonviolent legacies of those who led the civil rights movement of the 60s a movement that wanted an equal opportunity for a seat at the table but didn't intend to burn the house down while they courageously pursued the invitation All this wrapped inside a page turning thriller a jigsaw puzzle of nefarious motives and end games

The Heat of Angels Lisa Girolami, 2014-03-01 In the City of Angels K9 police officer Chris Bergstrom keeps herself safe by following her instincts Across town Sarah Pullman also lives by her instincts since that horrible day when her life was almost snuffed out When they meet their attraction is stronger than anything they've ever experienced But Chris's black and white world view clashes with Sarah's all gray world of identity confusion and distrust They'll need more than their gut feelings to navigate the fragile relationship they so intensely desire Set against the turbulent backdrop of Los Angeles during fire season Chris and Sarah struggle with the realities of their pasts and the necessity of defying their long standing beliefs In order to overcome their conflicts they will have to step out of their self imposed cocoons take a real look at themselves and find the strength to walk through the fire

Oliver Taplin, 1993-01-28 This book opens up a neglected chapter in the reception of Athenian drama especially comedy and it gives stage centre to a particularly attractive and entertaining series of vase paintings which have been generally regarded as marginal curiosities These are the so called phryx vases nearly all painted in the Greek cities of South Italy in the period

400 to 360 BC Up till now they have been taken to reflect some kind of local folk theatre but Oliver Taplin prompted especially by three that have only been published in the last twelve years argues that most if not all reflect Athenian comedy of the sort represented by Aristophanes This bold thesis opens up questions of the relation of tragedy as well as comedy to vase painting the cultural climate of the Greek cities in Italy and the extent to which Athenians were aware of drama as a potential export It also enriches appreciation of many key aspects of Aristophanic comedy its metatheatre and self reference its use of stage action and stage props its unabashed indecency and its polarised relationship even rivalry with tragedy The book has assembled thirty six photographs of vase paintings Many are printed here for the first time outside specialist publications that are not readily accessible

The Breath of Angels John Beattie, 1997 Even as a teenager John Beattie felt drawn to the ocean but it was 25 years before his dream of sailing the globe in his 35 foot yacht Warrior Queen could begin to come true His voyage began in England continued to the South American coast into the depths of the rainforests via uncharted tributaries The adventure reached a stirring climax during his return voyage from Venezuela One day at dawn hundreds of miles from land he spotted a man dying of thirst aboard a drifting open boat a man given one last slender chance to live A riveting powerful more dramatic than fiction true biographical story of life death upon the open sea The Midwest Book Review
