Anthony J. Palombo, Anthony J Palombo DC, 2016-04-03 Sound is a tool for creation Not just any sound but sound that carries a tone and a wave form that is coherent and pure We call this music Then there s the Musica Universales or Music of the Spheres an ancient concept attributed to Pythagoras who reportedly could hear the musical harmonies of the planets Are these the sound waves that carry the Word that creates all things sent forth by the Creator into the void of space Pythagoras based our musical theory on this mathematically precise Musica My interest in the art of Sacred Sound relates to how it may enhance attunement and energy healing by generating a carrier wave for spirit and intention My intent is to share with the reader the basic and advanced uses of the human voice as well as musical and sound producing instruments that lend themselves to the art of Sacred Sound such as singing bowls chimes tuning forks drums and a few others I explore in the book This book reflects over forty years of my experience with energy work and my use of sound in attunement not so much to heal the ills of the physical body as to facilitate the generation and clarification of pneuma the rarified spiritual substance that connects spirit with form and to engender a resonant response in the heart Resonance plays a pivotal role in sound healing as it is the vibration of the resonant response within the individual self or other that does the work in harmonizing and uplifting the vibrations of life in the tissue cells of the body The content of this book is a labor of love and a work in progress
