Our Only Hope Margaret B. Adam,2013-08-08 The most popular source of theological hope for American Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann s influence with their hope in a this worldly eschatology and a suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises This book explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas s theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practice hope in Jesus Christ our only hope
