The Mind The Playground Of The Devil:

The Mind David L. Love, 2005-02-16 **Women of Wisdom Spoken Word** Amazing Faith, 2014-05-20 Unlock the mystery of God in your life to be blessed beyond blessing **Unchained Mind** Ricardo G. Williams, 2017-03-15 I took a three year break from work to explore the topic of peace love and success I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind The things I found out were quite intriguing I came to the realization that many of us are not living to our full potential We live with a measured joy We keep our happiness in check Our smiles are met with a restriction from our breath which makes it short lived We seldom breathe fully because our breath is interrupted by the depth of our thoughts We never really let go fully We are bound by layers of chains that have entangled our thinking chains from an uncertain future chains of work chains of relationships chains of our finances too many chains to mention My time away from work gave me the opportunity to explore how to break the chains I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed My book focuses on the actions we can take to break chains and keep them broken My book explores how our thoughts control our destiny It teaches thought control and the importance of silence It teaches how to overcome fear anger negative thoughts stress and hatred You will learn how to nurture your emotions embrace moments and the importance of spiritual peace I will teach you how to live in thankfulness with compassion while activating love **Landscape as Sacred Space** Steven Lewis, 2005-07-15 Steven Lewis's Landscape as Sacred Space Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity Landscape metaphors provide a common and accessible language to articulate one's spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God Landscape as Sacred Space is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life's landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery **The Newness of Life** Stanley B. Mathurin, 2012-07-06 Dear Readers you have authority over the powers of darkness that you have not yet unfolded and apprehended for yourself and therefore are not using Well not too long ago I discovered this truth for myself so don't feel bad As I searched the scriptures I became cognizant of the power that I possess in Christ Jesus our Lord and Savior I had been defeated countless times using the wrong means to try to overcome my defeats I was being tossed to and fro by the enemy of my soul It took me a long time to learn and acknowledge who I am

and my purpose for being here on earth but thanks be to God He has given me the victory through Christ Jesus In this book you will discover that no matter what you used to be God can bring you back to where you should be in Christ Jesus the Messiah and use you for His glory in a mighty way Like the Apostle Paul no matter what your past life story has to tell or what sins you committed your slate becomes completely clean when you come to know Jesus Yes You are made entirely brand new God sees you just as if you had never sinned at all Before he was named Paul Saul was a persecutor of those who believed in Jesus as Messiah One day he experienced a miraculous conversion while on a road trip to Damascus to persecute some believers as recorded in Acts 9 3 which transformed him into a man and his life into a ministry on fire for the Lord because of God's grace and mercy towards him You too can be transformed and begin walking in The Newness of Life and serving Him in the newness of the Holy Spirit 1 Samuel 14 6 assures us that nothing restrains the LORD from saving by many or by few

A Journey Back to Eden Tanya D. Phillips, 2010-03-11 No matter what you have been through or what you may be going through remember God loves you and He has not forgotten you Throughout this book you will find many scriptures reminding you of just how much He cares The adversary tries to otherwise convince you He is a liar and cannot be trusted After all his job is to steal to kill and to destroy he will use anything and anybody to deceive you because he cares nothing about you Trust God's plans for your life After all He is the way the truth and the light For we wrestle not against flesh and blood but against principalities against powers and against the prince of darkness Ephesians 6 12 NKJV Everyone is

on a Journey in life we all have to end up somewhere the choice is yours It is God s desire to bless you but first you must be in order and in alignment with His word The word of the Lord cannot return to Him void So let go of the past hurt and disappointment and look toward your future God has something great in store for you Recognize your worth Many women no matter the age have suffered with identity and self esteem issues even with the flaws you are still valuable
