The Ritual Abuse Controversy Mary de Young,2002-05-13 The ritual abuse of children is the most controversial issue in the child maltreatment field but much of what has been written about ritual abuse over the past twenty years is in the form of unpublished and endlessly reproduced stuff a curious mixture of conjecture folkloric and pop culture representations of satanism devil worship occultism and witchcraft and Christian Fundamentalist images of premillennarian evil What remains after this stuff is excluded is an intriguing body of international literature that seriously examines the controversy This annotated bibliography dissects the literature objectively and thoroughly annotates published articles books and reports legal opinions and occasionally thought provoking newspaper and magazine articles Chapters deal with the definition of ritual abuse ritual abuse cases in the United States cases in American families and neighborhoods cases in Canada Europe and Australasia clinical features of ritual abuse in children and adults the controversy s impact on professionals and systems the controversy and American law ritual abuse reports and narratives and anthropological folkloric and sociological perspectives

Abusing Religion Megan Goodwin,2020-07-17 Sex abuse happens in all communities but American minority religions often face disproportionate allegations of sexual abuse Why in a country that consistently fails to acknowledge much less address the sexual abuse of women and children do American religious outsiders so often face allegations of sexual misconduct Why does the American public presume to know what s really going on in minority religious communities Why are sex abuse allegations such an effective way to discredit people on America s religious margins What makes Americans so willing so eager to identify religion as the cause of sex abuse *Abusing Religion* argues that sex abuse in minority religious communities is an American problem not merely a religious one *Healing the Unimaginable* Alison Miller,2018-05-08
