Uncle Sagamore and His Girls Charles Williams, 2013-01-15 DIVIt's election season in Blossom County and that means it's time for moonshine divDIV Educated at the racetrack Billy has never had a firm grip on his ABCs but he sure knows how to read a racing form When a family court judge threatens to put the seven year old in a foster home Billy and his father go to live in the countryside at the wholesome little farm owned by Billy's Uncle Sagamore where the air is pure the grass is green and the liquor from his hidden distillery is clear as water and about 120 proof divDIV divDIVBut pressure from the law has kept Sagamore's still silent and the stash of white lightning is starting to dwindle To get his home brewing operation back underway Sagamore needs a distraction and there's none better than local politics When Uncle Sagamore throws his weight into the Blossom County elections democracy will never be the same div

The Holy Bible, Containing the Old Testament and the New, 1776 *Bibliography of Agriculture*, 1966-02 Popular Electricity and the World's Advance Henry Walter Young, 1910 **Journal** Royal Association of British Dairy Farmers, 1904 **The Rights of the Defenseless** Susan J. Pearson, 2020-10-12 In 1877 the American Humane Society was formed as the national organization for animal and child protection Thirty years later there were 354 anticruelty organizations chartered in the United States nearly 200 of which were similarly invested in the welfare of both humans and animals In *The Rights of the Defenseless* Susan J Pearson seeks to understand the institutional cultural legal and political significance of the perceived bond between these

two kinds of helpless creatures and the attempts made to protect them Unlike many of today's humane organizations those Pearson follows were delegated police powers to make arrests and bring cases of cruelty to animals and children before local magistrates Those whom they prosecuted were subject to fines jail time and the removal of either animal or child from their possession Pearson explores the limits of and motivation behind this power and argues that while these reformers claimed nothing more than sympathy with the helpless and a desire to protect their rights they turned cruelty into a social problem stretched government resources and expanded the state through private associations The first book to explore these dual organizations and their storied history *The Rights of the Defenseless* will appeal broadly to reform minded historians and social theorists alike
