The Miracle Of Birth A Clairvoyant Study Of A Human Embryo:

The Miracle of Birth Geoffrey Hodson, 1981-01-01 **The Radiant Child** Thomas Armstrong, 1985-01-01 Armstrong believes that children come into this life radiating and reflecting the mystery of creation that their spiritual nature as well as their basic instincts are close to the surface of their awareness This hidden side of youthful consciousness has been noticed and appreciated primarily by poets mystics authors of fairy tales and world mythologists but not by parents teachers and child therapists He relates mystical and transpersonal experiences in children and provides methods for keeping their inner dimension alive **Cosmic Cradle, Revised Edition** Elizabeth M. Carman, Neil J. Carman, Ph.D., 2013-04-16 This fascinating exploration of pre birth consciousness with over 200 real life case studies reveals we do make decisions about the families and circumstances into which we are born An affirming and inspirational read for parents and grandparents regression therapists and spiritual counselors and anyone interested in near death experiences Where was your soul before you were born If your soul is immortal did it have a life prior to birth Did you choose your life and parents Is reincarnation real Elizabeth and Neil Carman the authors of Cosmic Cradle address these questions through interviews with adults and children who report pre birth experiences PBEs not based on regression hypnosis or drugs Instead interviewees recall their pre birth existence completely sober and awake In contrast to near death experiences NDEs which have been well documented to show us what the soul experiences after death PBEs throw light upon our lives before birth People with NDEs sense that they return home when their spirits cross to the other side What is the nature of this place we return to PBEs suggest that we come from the same place we return to we come from the Light and return to the Light The same eternal you progresses through life before life human life and life after death This new edition of Cosmic Cradle explores your soul's journey into your mother's womb where your soul comes from the origin and purpose of your life and the process by which you entered an earthly body In pre birth communications parents meet a soul seeking to cross over from the heavenly realm to human birth Persons with pre birth memories recall existence in a luminous world before birth in which they preview the upcoming life with a Divine Planner and recall how they journeyed to their mother's wombs Thieves of Innocence John Ankerberg, John Weldon, 2012-06-20 This provocative expose documents the occult New Age influence that has invaded the public school system and what parents and educators can do about it Chronicles the people and philosophies that have set the course for current educational trends This book shows how our children are being turned away from traditional values They are taught to make decisions with the help of inappropriate or occult practices such as hypnosis or visualization meditation yoga altered states of consciousness imaginary friends or inner guides *Hidden Wisdom in the Holy Bible, Vol. 2* Geoffrey Hodson, 1994-07-01 In this insightful interpretation of the Holy Bible the profound spiritual and power bestowing truths of the sacred language of such Old Testament stories as the Creation the Flood and Tower the Life of Joseph as a Mystery Drama and Moses and the Exodus are liberated from their cryptic enclosure The second of a two part abridgement
