The Mischief Of Sin Puritan Writings:

The Mischief of Sin Thomas Watson, 2025-06-01 If we give enough thought to the implications of sin in our lives it would probably take us years to list all the results and consequences of man's sinfulness from impure thoughts to evil actions from dirty speech to violence from personal to society decay from a life spent on vain pursuits to a sorrowful death But sin is even more destructive to man it affects our very souls and were it not Christ to come into this fallen world and die on the cross to save us our eternal destination would have been hell Hell forever disaster and suffering without end total darkness unlimited pain and unrestrained evil In this little book Thomas Watson calls us to consider this topic with the sobriety and earnestness of those who really care for their own lives and souls He calls us to prayerfully search our hearts as he unfolds that the Bible describes as the sinfulness of sin This book was originally published in 1671 This edition has been proofread typeset for eBook readers and lightly updated for modern readers *The Annotated Book of Common Prayer ...
