The Moongate:

Through the MOONGate Muse Norcross Kotenev, 1999-08 Through the MOONGate is the true story of a young woman's life in China. A life of privilege and poverty of romance and adventure of humor and sorrow but most of all a life filled with unforgettable characters tempered by the forces of revolution. Muse was born in Siberia as her parents fled from the Russian revolution and grew up in Shanghai where her family found refuge and later in the fascinating European colony of Tsingtao. Vivid in description are her recollections of times in China during Japan's occupation including an encounter with Mao Tse tung in the mountains of Laoshan. Tragically widowed at an early age she overcame incredible obstacles to create a new life for herself and her two young children. As communist forces seized power in China they escaped on the last ship to leave the port of Tsingtao for the United States of America. Through the MOONGate is an adventure and a glimpse into a human life courageously lived. The Moongate Wish Nancy John, 1985 **Garden of the Moongate** Donna Vitek, 1982 *Dragon's Tear* Leah E. Welker, 2024-08-20 Two hearts one tear Sarah Lind has now discovered over half of the moongates scattered across the Six Realms that she will need to return to Earth. Just as miraculously to her the dragon shifter Heir of Flame has come to care for her with the magical bond forged between them becoming stronger by the day. Yet Sarah's choice of whether to embrace her destiny is still far from simple especially with the rising movement calling Sarah the long promised Moondaughter crushing her with the weight of their hopes and the Tree's injunction that the future Queen of Ice must marry the future King of Flame. Sarah loves Ben but does she have the courage to become his Queen. Koriben Sunfilled can hardly believe that Sarah wants him and yet the truth now seems undeniable. With their goal just within reach and the promised cure for his dying father that much closer for a moment he soars higher than ever before. Yet when someone he once trusted betrays him yet again this time endangering not just him but his beloved cousin as well his spirit is shattered and he isn't sure how to keep going let alone bear the fear of losing Sarah too. But with another now vying for Sarah's heart he just might lose her in another way. Ben loves Sarah but does he have the strength to allow her to love him in return. With only four days left for them to finish their quest before the Devourer's invasion neither of them have much time to find the answers. Yet if they don't the darkness could tear them apart. Garden of the Moongate Donna Vitek, 1982 *Beyond the Moon Gate* Welthy Honsinger Fisher, 1924 *Prophecy of Princes* Samiksh Jain, 2021-02-17 Every silver lining has ebbed away. He will too. Unless he chooses Hell. Two decades after the apocalypse strolling in Italy is a sixteen year old criminal who never knew the reason for his desire for power and his passion for crime. Until now when he discovers that he belongs elsewhere in another realm a realm of death and daemons. Chase Michaels is an Imperial different from the mortals and even more unique among the daemons. But having found his actual life will Chase be able to embrace it. It is beautiful and so entrancing but far more dangerous. Fate is no less than a beast that snatches everything good. And now while all the Princes of Hell are longing for his flesh and blood vengeance is all that Chase desires. Is Chase ready to venture through the darkness. Or will the quest
