Multicultural Literature and Response Affirming Diverse Voices was written to help teachers and librarians find and use the best multicultural books in the service of reading comprehension and more. Underscoring the necessity of selecting quality literature that authentically sensitively and accurately portrays different groups, the book defines multicultural literature and provides a strong argument for its importance in schools and libraries. Expert contributors guide users to multicultural authors and illustrators who portray U.S. ethnic and cultural groups and they suggest ways to integrate this literature with writing fluency development, storytelling, and audiovisuals. Extensive lists of books and websites that feature multicultural literature, as well as of authors, illustrators, and publishers of multicultural literature, make it easy to include such works in programs across the curriculum.

Multicultural Cookbook for Students, 2009. *The World Cookbook for Students* Jeanne Jacob, Michael Ashkenazi, 2006. The student body in the United States is ever more diverse, and librarians have a major new resource to help them with the frequent requests from students who have assignments that include finding ethnic recipes. This 5-volume cookbook set is directly related to the middle school and high school multicultural curricula. It will be the source to turn to for multicultural immigration and foreign language units. The *World Cookbook for Students* fills a demand for more and different recipes for all, not just selected countries, and also from ethnic groups. Many librarians cling to an old *Time Life* set, and this set aims to replace that. Although there are many cookbooks out there, and many recipes are available on the Internet, only a few are geared to students, and no in-print sets or series match this scope and depth. The volumes are organized alphabetically by country or group name. Each entry includes a brief introduction to the land and people and their cuisine, and then an overview of the foodstuffs, typical dishes, and styles of eating in simple bulleted lists. Approximately 5 recipes are provided per country/ethnic group of typical dishes and holiday fare, for a total of 1,198. Each recipe is introduced and contextualized. Other elements include boxed material to highlight such things as a regional staple, thumbnail maps, and illustrations; an introduction to the set; a bibliography with print and online resources; and a set index in each volume.
